**The Job** Charlie Bezzina, 2011 Charlie Bezzina was one of Victoria's top homicide detectives. In his 17 years in the Homicide Squad he investigated more than 300 suspicious deaths including 150 murders among them the crimes of serial killer Paul Denyer the killing of Melbourne gangland figure Alphonse Gangitano the baffling disappearances of Sarah McDiarmid and former gameshow model Jacquie Ramchen and the death of former Test cricketer David Hookes. This is the never before told story of Bezzina's rise from a sheltered childhood in a Maltese family in Melbourne's western suburbs to a widely respected senior detective who served Victoria Police with distinction and unquestioned integrity for 37 years culminating in his acrimonious and highly controversial departure from the force. The Job is an explosive and intriguing account of what it takes to be a criminal investigator at the highest level.

ABL Cops 'n Robbers John Russell, 1930 *On the Farm* Stevie Cameron, 2011-10-25 NATIONAL BESTSELLER Stevie Cameron's investigative tour de force about one of North America's most prolific serial killers now widely regarded as a true crime classic. Veteran investigative journalist Stevie Cameron first began following the story of missing women in 1998 when the odd newspaper piece appeared chronicling the disappearances of drug addicted sex trade workers from Vancouver's notorious Downtown Eastside. It was not until February 2002 that pig farmer Robert

William Pickton would be arrested and 2008 before he was found guilty on six counts of second degree murder These counts were appealed and in 2010 the Supreme Court of Canada rendered its conclusion The guilty verdict was upheld and finally this unprecedented tale of true crime could be told Covering the case of one of North America s most prolific serial killers gave Stevie Cameron access not only to the story as it unfolded over many years in two British Columbia courthouses but also to information unknown to the police and not in the transcripts of their interviews with Pickton such as from Pickton s long time best friend Lisa Yelds and from several women who survived terrifying encounters with him Cameron uncovers what was behind law enforcement s refusal to believe that a serial killer was at work *Policing America* Kenneth J. Peak,1993 Looks briefly at the history of police in America and discusses police subculture organization patrols criminal investigations accountability civil liability and careers Report on the Activities for the Year 1991 of the Select Committee on Children, Youth, and Families, House of Representatives, 102d Congress, First Session United States. Congress. House. Select Committee on Children, Youth, and Families,1992 The House of Representatives Select Committee on Children Youth and Families was created to provide an ongoing assessment of the conditions of American children and families and to make policy recommendations to Congress and the public This report on the committee s 1991 activities includes summaries of 11 hearings a list of witnesses and people who submitted testimony highlights of legislation affecting children and families and factsheets The hearings focused on the following concerns 1 reclaiming the tax code for American families 2 generating innovative strategies for healthy infants and children 3 community based mental health services for children 4 police stress and family well being 5 creation of a family friendly workplace for fathers 6 ways to help teenagers stay safe 7 effects of noise on hearing loss in children and youth 8 child abuse treatment and prevention in the 1990s 9 National Children s Day 10 comments of the Surgeon General on the prevention of underage drinking and 11 automotive safety for American families Most of the hearing summaries are followed by statistical factsheets and minority position factsheets on health strategies for infants and children police stress and working fathers are provided AC **Report on the Activities in the ...
