

The background of the cover features a complex scientific illustration. At the top left, a DNA double helix is shown in a light blue, semi-transparent style. To its right, a ball-and-stick molecular model is depicted with blue spheres representing atoms and thin lines for bonds. Below these, a large, faint, light blue sphere is visible. The bottom half of the cover is dominated by a network of white hexagonal shapes, resembling a honeycomb or a molecular lattice, set against a light blue gradient background.
