**Exploring the Dead Sea Scrolls** Hanan Eshel, 2015-09-16 Among the most prominent hallmarks of the late Prof Hanan Eshel 1958 2010 were his generosity passion and integrative approach The eighteen essays in this volume were selected by Prof Eshel shortly before his untimely death to be printed as a collection aimed at contextualizing the textual finds of the Dead Sea Scrolls within their archaeological settings and within the contours of contemporary scholarship The Qumran texts that stand at the center of these articles are correlated with archaeological and geographic information and with a variety of textual sources including epigraphic evidence and especially the Hebrew Bible Josephus and rabbinic texts The essays are organized according to the provenance of the discovered material with sections devoted to the Damascus Document and the scrolls from Caves 1 3 4 and 11 as well as a final more general chapter Half of the essays have been previously published in English while the other half have been translated from Hebrew here for the first time The book

includes essays that have been co authored with Esther Eshel Shlomit Kendi Harel Zeev Safrai and John Strugnell

*Custodians Of Truth* Tim Wallace-Murphy, Marilyn Hopkins, 2005-05-15 A curious thing happened to Tim Wallace Murphy and Marilyn Hopkins when they published *Rex Deus* their first book on the bloodline of Christ they were contacted by a man from the very lineage they were studying And instead of denying the existence of the bloodline or berating them for revealing secrets he actually confirmed that the *Rex Deus* lineage exists and even disclosed some of its fundamental secrets The story of the *Rex Deus* families direct descendents of Christ who is believed to have survived the crucifixion turns out to be much more extensive than the authors first thought Instead of beginning during the time of Jesus it stretches far back into antiquity to the Egyptian Mystery Schools Instead of being only a propagation of the holy bloodline the *Rex Deus* families are also carriers of the secret teachings of Jesus *Custodians of Truth* reveals the purpose and secrets of the *Rex Deus* lineage Jesus was not only a holy man but an adept of ancient knowledge which informed his own teachings This secret knowledge was suppressed by the Church in their voracious quest for power and influence in the secular world These teachings have manifested throughout history in different forms Gnostic philosophy around the time of Jesus the Order of the Knights Templar Freemasons and the current resurgence of interest in New Age thought Finally the time is right for the hidden message of Jesus to be revealed a message of tolerance brotherhood and respect for nature The next chapter in the legend of the Holy Grail and the bloodline of Christ from the best selling authors of Rosslyn **THRICE GREAT HERMETICA AND**
