will return His lost realm will be regained and his shattered dream of an ideal world will at last be realized This collection of
original essays explores the issue of return in the modern Arthurian legend With an Introduction by noted scholar Raymond
H Thompson and 13 essays by authors from the fields of literature art history film history and folklore this collection reveals
the flexibility of the legend Just as the modern legend takes the form current to its generation the myth of return generates a
new legend with each telling As these authors show return can come in the form of a noble king or a Caribbean immigrant
