**Absolute Surrender** Andrew Murray,2013-11 Absolute surrender let me tell you where I got those words I used them myself often and you have heard them numberless times But in Scotland once I was in a company where we were talking about the condition of Christ s Church and what the great need of the Church and of believers is and there was in our company a godly worker who has much to do in training workers and I asked him what he would say was the great need of the Church and the message that ought to be preached He answered very quietly and simply and determinedly Absolute surrender to God is the one thing The words struck me as never before And that man began to tell how in the workers with whom he had to deal he finds that if they are sound on that point even though they be backward they are willing to be taught and helped and they always improve whereas others who are not sound there very often go back and leave the work The condition for obtaining God s full blessing is absolute surrender to Him And now I desire by God s grace to give to you this message that your God in Heaven answers the prayers which you have offered for blessing on yourselves and for blessing on those around you by this one demand Are you willing to surrender yourselves absolutely into His hands What is our answer to be God knows there are hundreds of hearts who have said it and there are hundreds more who long to say it but hardly dare

to do so And there are hearts who have said it but who have yet miserably failed and who feel themselves condemned because they did not find the secret of the power to live that life May God have a word for all Let me say first of all that God claims it from us God Expects Your Surrender Yes it has its foundation in the very nature of God God cannot do otherwise Who is God He is the Fountain of life the only Source of existence and power and goodness and throughout the universe there is nothing good but what God works God has created the sun and the moon and the stars and the flowers and the trees and the grass and are they not all absolutely surrendered to God Do they not allow God to work in them just what He pleases When God clothes the lily with its beauty is it not yielded up surrendered given over to God as He works in its beauty And God's redeemed children oh can you think that God can work His work if there is only half or a part of them surrendered God cannot do it God is life and love and blessing and power and infinite beauty and God delights to communicate Himself to every child who is prepared to receive Him but ah this one lack of absolute surrender is just the thing that hinders God And now He comes and as God He claims it
