Nacional Centro de Arte Reina Sofía Madrid in association with Princeton University Press Exhibition Schedule The Jewish Museum New York May 23 October 12 2025 Ben Shahn's New Deal Murals Diana L. Linden, 2015-10-15 A study of Ben Shahn's New Deal murals 1933-43 in the context of American Jewish history labor history and public discourse Lithuanian born artist Ben Shahn learned fresco painting as an assistant to Diego Rivera in the 1930s and created his own visually powerful technically sophisticated and stylistically innovative artworks as part of the New Deal Arts Project's national mural program In *Ben Shahn's New Deal Murals Jewish Identity in the American Scene* author Diana L Linden demonstrates that Shahn mined his Jewish heritage and left leaning politics for his style and subject matter offering insight into his murals creation and their sometimes complicated reception by officials the public and the press In four chapters Linden presents case studies of select Shahn murals that were created from 1933 to 1943 and are located in public buildings in New York New Jersey and Missouri She studies Shahn's famous untitled fresco for the Jersey Homesteads a utopian socialist cooperative community populated with former Jewish garment workers and funded under the New Deal Shahn's mural for the Bronx Central Post Office a fresco Shahn proposed to the post office in St Louis and a related one panel easel painting titled *The First Amendment* located in a Queens New York post office By investigating the role of Jewish identity in Shahn's works Linden considers the artist's responses to important issues of the era such as President Roosevelt's opposition to open immigration to the United States New York's bustling garment industry and its labor unions ideological concerns about freedom and liberty that had significant meaning to Jews and the encroachment of censorship into American art Linden shows that throughout his public murals Shahn literally painted Jews into the American scene with his subjects themes and compositions Readers interested in Jewish American history art history and Depression era American culture will enjoy this insightful volume **Ben Shahn** Ben Shahn, 2002 **The Social and the Real: Political Art of the 1930s in the Western Hemisphere**, 2006 Ben Shahn James Thrall Soby, Ben Shahn, 2013-09 *Ben Shahn* Ben Shahn, Downtown Gallery (New York, N.Y.), 1930 *The Shape of Content* Ben Shahn, 1957 A modern painter discusses meaning and form in contemporary painting and offers advice to aspiring artists **Ben Shahn**, 1970 **BEN SHAHN** Ben Shahn, Kennedy Galleries, 1979 **The People's Painter** Cynthia Levinson, 2021-04-20 A lyrically told exquisitely illustrated biography of influential Jewish artist and activist Ben Shahn The first thing I can remember Ben said I drew As an observant child growing up in Lithuania Ben Shahn yearns to draw everything he sees and after seeing his father banished by the Czar for demanding workers rights he develops a keen sense of justice too So when Ben and the rest of his family make their way to America Ben brings both his sharp artistic eye and his desire to fight for what's right As he grows he speaks for justice through his art by disarming classmates who bully him because he's Jewish by defying his teachers insistence that he paint beautiful landscapes rather than true stories by urging the US government to pass Depression era laws to help people find food and jobs In this moving and timely portrait award winning author Cynthia Levinson and illustrator Evan Turk honor an artist immigrant and

activist whose work still resonates today a true painter for the people Ben Shahn (1898-1969). Ben Shahn, Kennedy Galleries, 1971 **Re-envisioning the Everyday** John Fagg, 2023-10-03 Often seen as backward looking and convention bound genre painting representing scenes of everyday life was central to the work of twentieth century artists such as John Sloan Norman Rockwell Jacob Lawrence who adapted such subjects to an era of rapid urbanization mass media and modernist art Re envisioning the Everyday asks what their works do to the tradition of genre painting and whether it remains a meaningful category through which to understand them Working with and against the established narrative of American genre painting s late nineteenth century decline into obsolescence John Fagg explores how artists and illustrators used elements of the tradition to picture everyday life in a rapidly changing society whether by appealing to its nostalgic and historical connotations or by updating it to address new formal and thematic concerns Fagg argues that genre painting enabled twentieth century artists to look slowly and carefully at scenes of everyday life and on some occasions to understand those scenes as sites of political oppression and resistance But it also limited them to anachronistic ways of seeing and tied them to a freighted history of stereotyping and condescension By surveying genre painting when its status and relevance were uncertain and by looking at works that stretch and complicate its boundaries this book considers what the form is and probes the wider practice of generic categorization It will appeal to students and scholars of American art history art criticism and cultural studies *CCNY Made* Ronnyjane Goldsmith, 2023-10-02 Everyone loves an underdog who succeeds against the odds *CCNY Made Profiles in Grit* is the story of City College of New York alumni who beat the odds to reach the pinnacle of their professions and in the process transformed our world Here are just a few Andrew Grove hearing impaired and a survivor of Nazi occupation and Communist rule became the visionary CEO of Intel Corporation the manufacturer of the semiconductor chip found in most personal computers today Yip Harburg the son of immigrants wrote the lyrics to countless music standards including Somewhere Over the Rainbow one of the most celebrated songs of all times Jonas Salk facing antisemitism and the rebuke of the scientific community developed the Salk Vaccine that irradiated polio from the face of the earth Felix Frankfurter who came to America at 12 speaking no English would be appointed a U S Supreme Court Justice and help write the unanimous opinion in *Brown v the Board of Education* declaring school segregation in the United States illegal In *CCNY Made Profiles In Grit* the stories of CCNY alumni are recounted who exemplify the promise of Townsend Harris founder of CCNY and The Ephebic Oath affirmed by graduating students every year We will strive unceasingly to quicken the public s better of civic duty and thus in all these ways we will strive to transmit this city not only not less but greater better and more beautiful than it was transmitted to us **An American Collection** Amon Carter Museum of Western Art, Patricia A. Pohl,1989-05 In the first most intense years of the Cold War 1947 1954 New Deal liberals often found themselves in great disfavor Ben Shahn s experience presents something of a paradox however since his paintings appealed in different ways to both liberals and conservatives Blacklisted by CBS during the McCarthy era and yet ironically incorporated into presidential campaigns of truth aimed at improving the U S image abroad Ben Shahn is a pivotal figure revealing the complexities and contradictions inherent in this highly polarized moment in American history In this pathbreaking study Frances Pohl traces the political and artistic struggles Ben Shahn became embroiled in as he tried to remain a socially concerned artist during the early Cold War period She shows how he rejected the argument voiced by many Abstract Expressionists that art and politics should not mix yet at the same time searched for a way to depict in universal and allegorical terms the broad human condition rather than simply specific instances of injustice Perhaps most important she makes critical connections between U S social and political history and the art it provoked thus illuminating both the later career of Ben Shahn and the Cold War era in American cultural history
