American Sea Writing:

American Sea Writing Peter Neill, 2000 This anthology of essays captures the full sweep of America's maritime experience with narratives from voyagers from the 17th century to the 20th century Included are writings from Washington Irving Edgar Allan Poe Jack London and more *The Cambridge Companion to American Travel Writing* Alfred Bendixen, Judith Hamera, 2009-01-29 A stimulating overview of American journeys from the eighteenth century to the present *American Sea Literature: Seascapes, Beach Narratives, and Underwater Explorations* S. Yamashiro, 2014-07-31 Implementing a never before seen approach to sea literature American Sea Literature Seascapes Beach Narratives and Underwater Explorations explores the role of American maritime activities and their cultural representations in literature Differentiating between the terrestrial and oceanic as concepts Shin Yamashiro divides sea literature into three categories literature on the sea by the sea and beneath the sea Discussing both canonical works and new books on scuba diving deep sea explorations and surfing this fascinating study recognizes sea literature's unique influence on American history

Antipodean America Paul Giles, 2013 A sweeping study that spans two continents and over three hundred years of literary history Antipodean America identifies the surprising affinities between Australian and American literature **The View from the Masthead** Hester Blum, 2012-09-01 With long solitary periods at sea far from literary and cultural centers sailors comprise a remarkable population of readers and writers Although their contributions have been little recognized in literary history seamen were important figures in the nineteenth century American literary sphere In the first book to explore their unique contribution to literary culture Hester Blum examines the first person narratives of working sailors from little known sea tales to more famous works by Herman Melville James Fenimore Cooper Edgar Allan Poe and Richard Henry Dana In their narratives sailors wrote about how their working lives coexisted with indeed mutually drove their imaginative lives Even at leisure they were always on the job site Blum analyzes seamen's libraries Barbary captivity narratives naval memoirs writings about the Galapagos Islands Melville's sea vision and the crisis of death and burial at sea She argues that the extent of sailors' literacy and the range of their reading were unusual for a laboring class belying the popular image of Jack Tar as merely a swaggering profane or marginal figure As Blum demonstrates seamen's narratives propose a method for aligning labor and contemplation that has broader applications for the study of American literature and history *James Fenimore Cooper and the Development of American Sea Fiction* Thomas Philbrick, 1961 No detailed description available for James Fenimore Cooper and the Development of American Sea Fiction **American Nature Writing**, 1998 *New American Writing*, 1997 Encyclopedia of American Literature of the Sea and Great Lakes Jill B. Gidmark, 2000-11-30 The sea and Great Lakes have inspired American authors from colonial times to the present to produce enduring literary works This reference is a comprehensive survey of American sea literature The scope of the encyclopedia ranges from the earliest printed matter produced in the colonies to contemporary experiments in published prose poetry and drama The book also

acknowledges how literature gives rise to adaptations and resonances in music and film and includes coverage of nonliterary topics that have nonetheless shaped American literature of the sea and Great Lakes The alphabetical arrangement of the reference facilitates access to facts about major literary works characters authors themes vessels places and ideas that are central to American sea literature Each of the several hundred entries is written by an expert contributor and many provide bibliographical information While the encyclopedia includes entries for white male canonical writers such as Herman Melville and Jack London it also gives considerable attention to women at sea and to ethnically diverse authors works and themes The volume concludes with a chronology and a list of works for further reading **The Best American Travel Writing** ,2005
