Arbitration in the America's Cup John Faire, Henry Peter, 2003-01-01 Following experiences made during the previous edition of the America's Cup an Arbitration Panel was set up in order to resolve the disputes arising with respect to the 31st 2000 2003 America's Cup It was composed of five arbitrators all high standing lawyers with vast experience in arbitration and sport The Arbitration Panel issued 22 decisions

on many subjects ranging from deciding whether or not Societe Nautique de Geneve Alinghi could take part to the America's Cup to whether or not the Seattle Yacht Club One World Challenge had breached rules prohibiting the transfer of technology from a syndicate to another. This book contains all the decisions rendered as well as the background and supporting material. It begins with an introductory text which enables a better understanding of the reasons why the Arbitration Panel was set up, of the way it has worked and of the main issues it has dealt with. The work will be of interest to any person involved in arbitration in general and in sport in particular. It will also provide an insight into the history of the America's Cup which from the outcome in 1851 has been characterised by controversies and disputes.

Arbitration in the 37th America's Cup David Tillet, Graham McKenzie, Bryan Willis, Claire Mordelet, 2025-11-07. The America's Cup is one of the most important sporting competitions in the world. It is also the oldest sporting competition in existence, now more than 170 years old. Like all sporting events, it raises a series of issues and sometimes triggers litigation cases which often have to be dealt with as a matter of urgency. Recognizing this and the need to deal professionally with these cases, an arbitration panel has become an established part of the Cup's organization. This solution has been once more adopted with regard to the 37th edition of the America's Cup which took place between 2021 and 2024. The issues which arose on such occasion might arise again during other America's Cup editions and some of them can be of interest beyond the sport of sailing. What happens in the America's Cup can in fact be of general interest to lawyers, arbitrators and scholars belonging to both the sport and arbitration communities. This book is the sixth of a series that over time constitutes a unique corpus compiling the applicable rules and decisions rendered in the context of the America's Cup over the last twenty-five years. It indeed contains all the decisions issued by the Arbitration Panel and by the Jury in place during the 37th America's Cup, as well as all supporting documents. More specifically, the following are included in this book: the Deed of Gift, the Protocol of the 37th America's Cup and the amendments made thereto, the America's Cup Arbitration Panel Rules of Procedure, May 2023, other documents governing the 37th America's Cup edition, the World Sailing Racing Rules of Sailing, America's Cup Edition, the AC75 Class Rule, the AC40 Class Rule, the AC Technical Regulations, the Louis Vuitton Cup Conditions, the Match Conditions, the Sailing Instructions for the Louis Vuitton Cup Challenger Selection Series, and the Sailing Instructions for the 37th America's Cup Match, the documents governing the Youth and Women's America's Cup, the Youth and Women's America's Cup Agreement for the 2024 Youth America's Cup and the Women's America's Cup, as well as the Sailing Instructions for the Youth and Women's America's Cup, all 37th America's Cup Arbitration Panel Decisions, and all 37th America's Cup Jury Decisions. Besides compiling these documents, the authors have deemed it useful to start the book with an introduction in which, after briefly providing some historical background, they explain and comment on what they consider are the most important and peculiar issues pertaining to the 37th America's Cup and what can be learnt for future editions of the Cup. In addition to the above, this book includes a copy of the handwritten version of the original Deed of Gift dated 8 July 1857, the primary and cornerstone

document governing the America's Cup as well as what can be considered as the current text of the Deed of Gift. This transcription of the current Deed of Gift is accompanied by a useful explanation written by R. Steven Tsuchiya with the assistance of Dr. Hamish Ross, both well-known America's Cup experts.

Arbitration in the 36th America's Cup Henry Peter, 2022-08-09. More than the most prestigious regatta and match race in the sport of sailing, the America's Cup is a test of boat design, sail design, and management skills. It is not surprising that its passionate skippers, builders, and managers often become embroiled in disputes. Recognizing this and the need to deal quickly and professionally with any divergency, an arbitration panel has become an established part of the Cup's organization. This book, the fifth of a series that over time constitutes a unique corpus of decisions rendered over more than twenty years, compiles all the directions and decisions issued by the 36th America's Cup Arbitration Panel in the context of the nineteen cases submitted to it, as well as all supporting documents elucidating the context in which the decisions were issued. In addition to all the decisions, the following are also included: the Protocol of the 36th America's Cup and amendments made thereto; the 36th America's Cup Arbitration Panel Rules of Procedure; applicable versions of the World Sailing Racing Rules, the AC75 Class Rule, and the so-called Prada Cup Conditions and Match Conditions; previously unpublished documents related to proceedings which have led to the amendment and/or interpretation of the Deed of Gift by the Supreme Court of the State of New York; and previously unpublished court-related material pertaining to the key Mercury Bay case (1987/1990). An extensive and valuable introduction provides detailed historical and factual context. Expert commentary addresses issues of special interest decided by the 36th America's Cup Arbitration Panel, including privileged insight into the previously undocumented dispute resolution during the 35th America's Cup (2013/2017) and the World Intellectual Property Organization's Electronic Case Management Facility (ECAF). A table containing a summary of the subject matter of each decision and a keyword index help find which argument is dealt with in which decision. Because arbitration plays a key role in this context and because what happens in the America's Cup is of general interest to the sport and arbitration communities, this book's many insights into the kinds of issues that fuel disputes in sports events offer a significant extension of the knowledge base available to lawyers, arbitrators, and scholars in several branches of law and legal practice.

Dispute Resolution in the 34th America's Cup Henry Peter, 2015-11-24. The America's Cup continues to evolve as the preeminent sporting contest in the world of sailing and is one of the greatest contests in the world of sport. In its long and colorful history, disputes around the match have not only added major extra publicity to the event's great popular appeal but also spawned a wealth of judicial and arbitral decisions that have become influential on the sport of sailing. This book, continuing the tradition of Kluwer Law International's earlier publications on the 31st, 32nd, and 33rd America's Cup, offers richly detailed expert commentary along with the decision texts themselves on the judgments of various courts and other dispute resolution bodies delivered during the tumultuous 34th America's Cup. Since there is no official record of many of these documents, this book is the only source that presents them together in a single

volume with the added benefit of commentary Among the aspects covered are the following all decisions issued by the 34th America s Cup International Jury as well as related decisions or awards rendered by other bodies ISAF Disciplinary Commission ISAF Review Board and the Court of Arbitration for Sport judgments of the New York Supreme Court and its Appellate Division regarding the rejection of the African Diaspora Maritime Corporation application to compete to be a defender the pivotal Jury decision affirming that the AC72 yacht could be made to foil on its centreboards and rudders dramatically increasing its speed the first time ever Youth America s Cup and the extensive mediation concerning safety recommendations following the death of a sailor A general introduction surveys the most important and peculiar issues pertaining to the event Written not only as a comprehensive legal record of the 34th America s Cup but also with a view to favor future matches and to limit the possibilities of new controversies the book takes a significant step toward ensuring that disputes are dealt with by arbitration and not by lengthy costly and uncertain state court proceedings In this way the book provides invaluable guidance for trustees competitors and event officials not only for the America s Cup but by extension to other major international sporting events
