Americas Democratic Republic:

America's Democratic Republic Edward S. Greenberg, Benjamin I. Page, 2005 America's Democratic Republic is part of the highly popular Penguin Academic Series which offers accessibly written elegantly designed and highly affordable trade format books by pre eminent scholars Written with a lively narrative style and constructed around a single story line this text gets to the heart of American's frustrations with our government Acknowledging that citizens cynicism tends to make people withdraw from civic life this text examines why our government can seem so unsatisfactory identifying the heart of the American political system strong democratic aspirations among the general public conflicting with the republican constitutional foundations on which the country is based The Transformation of the American Democratic Republic Stephen M. Krason, 2017-09-08 In this stimulating volume Stephen M Krason considers whether the Founding Fathers vision of the American democratic republic has been transformed and if so in what ways He looks to the basic principles of the Founding Fathers then discusses the changes that resulted from evolving contemporary expectations about government Referencing philosophical principles and the work of great Western thinkers Krason then explores a variety of proposals that could forge a foundation for restoration Acknowledging that any attempt to revive the Founders views on a democratic republic must start in the public sphere Krason focuses on concerned citizens who are aware of the extent to which our current political structures deviate from the Founders vision and want to take action Ultimately a democratic republic can exist be sustained and flourish only when there is a deep commitment to it in the minds and norms of its people Written by a foremost authority in the field of US Constitutional law this book will appeal to those interested in American history society and politics *Democracy in America* Alexis de Tocqueville, 1875 **The American Democracy** Samuel Eagle Forman, 1920 **American Democracy from Washington to Wilson** John Huston Finley, 1919 **The Story of American Democracy, Political and Industrial** Willis Mason West, 1922 *Democracy in America, tr. by H.
