**A Second Chance. The Corner of Heaven** Gabriel O Buiama,2021-04-09 No matter how hard I try a few lost thoughts keep coming to the surface I always thought people deserved a second chance To be seen from another perspective To be analysed in more detail If until some time ago I did not believe that evil can contain a particle of good in it now I must believe it For otherwise the meaning of many things would be lost Yes it has to do with me I saw myself as a good man A being who cares fragile loving That s been happening for years Maybe to some extent I was But something has changed I became rigid More wicked Colder More careless More on the surface but also inside I froze Now I see more harm The evil around the danger the hazard And I can t stop him because I understand what that would mean And yet I would like to So that some people can see others as what they are beyond the cloud of dust that surrounds them Beyond ice cubes Beyond shields Beyond To be forgiven The power to forgive one s own mistakes the power to start over We have the ability to forgive others to give countless chances to receive people back but not to forgive ourselves We wipe with a sponge until it comes to us And we who forgives us To hope That we will be seen That one day we will be seen That one day we will dare to look in the mirror and notice the beauty We will notice that those scars those wounds the remaining marks represent our beauty Every sign represents something Kindness patience loyalty innocence joy love Are there part of us Few moments past I see myself being again on that ledge Watching the river trying to measure with my own eyes how deep it could be I do not see the bottom not even near Could be fifteen twenty or even fifty feet down deep Who knows I could throw a tiny stone inside the water That will give me at least an idea But would I care It would matter In just a couple of minutes I am gone Is nobody around Just an empty pathway Everyone is home or who knows where At school at work at cinema Or maybe in
