Answered Prayers:

Answered Prayers Alice L. Rokahr,2022-08-10 Tragedy strikes when Nita is diagnosed with three inoperable brain tumors and given a two percent chance to survive In order to be close to her family in her final days she opts for hospice care at home Her sister Alice prays for strength and the wisdom to carry out her role as one of Nita s caretakers Answered Prayers is about a simple call to the Lord from a humble servant whose call is answered in the most awesome of ways beyond what Alice could imagine This is a moving memoir and tribute to Alice s late beloved sister Nita Alice shares her story of time spent caring for Nita following a medical event that leaves her unable to care for herself Although this is an emotionally charged memoir Alice reveals how the experience ultimately brought her closer to God Her words will comfort others going through similar tragedy Prayers are always answered in His way in His timing and in ways that are best for us **Keys to Answered Prayers** Jemima Alara,2014-08-15 Prayer is a two way communication between man and God Christians commune with God through Prayer but most Christians complain that they don t receive answers to their prayers The KEY TO ANSWERED PRAYERS is very simple and it has only one name it is called COMMUNICATION It is not your length of prayers that matters what matters is are you communicating Imagine picking up your cell phone to make a call the only way for you to be able to communicate with the person on the other side is to ensure that you have a dialing tone and that there is a communication link available to signify you have access to the receiver without these in place you can t communicate nor even get a response In this book you will learn the art of effective communication the proper channel to link heaven directly and get rapid answers to your prayers You will also learn how to walk under an open heavens every second every minute every hour 24 hours a day 365 days a year and continually till Jesus comes **Stairsteps to Answered Prayers** Bishop Steven G. Thompson,2018-12-22 God presents Himself in the Bible as being open and interested in hearing whatever concerns His children James 5 13 1 Pet 5 7 He wants to hear whatever interests us even the smallest most insignificant details of our lives Consequently we should feel free to unburden our hearts and tell God anything and everything He is after all the friend who sticks closer than a brother Why do we not feel at liberty to converse with Him just as casually and comfortably as we would with our most intimate acquaintance To address this important phenomenon of talking to God I felt the leading of the Lord to confront the matter of getting answers to our prayers Unless you are a Pharisee standing in the marketplace no one prays just to hear himself praying or to receive glory from man No one prays not to receive a response No one asks not expecting to receive Rather prayers are prayed to be acknowledged and answered Especially prayers without ceasing are made for responses acknowledgment and answers without ceasing Time and maturity have taught me that to pray without ceasing basically refers to recurring prayer not nonstop talking Thus it is to be our way of life as we should be continually in an attitude of prayer **Answered Prayer** E. M. Bounds,2002-03-01 The utmost possibilities of prayer have rarely been realized The promises of God are answered to those who truly pray His promises to answer to do and

Prayer That Works Francis Jonah, 2019-04-30 I had prayed concerning this one situation and received no answers for over a year When I was taught these revelations I was immediately confident I will receive the answer Surely the answer came after just 4 days of taking responsibility in prayer Andrew Why do so many people experience unanswered prayers and the frustrations that come with it Why do many pray all the right prayers and do everything they know to do not see answers to their prayers Why have many given up on God because despite all the hype about prayer This book will explain how you can make your answers to prayer manifest and gives you keys to take greater responsibility in seeing answered prayers After reading this book you will not sit down and be passive if an answer to prayer hasn't come You will receive keys to cause the answers to come As a bonus you will see several testimonies and what was done to make several unanswered prayers become answered prayers
