Antes Que Anochezca:

Antes que anochezca Reinaldo Arenas, 2019-03-26 Un símbolo de resistencia y esperanza La última historia de un hombre que vivió sin miedo En diciembre de 1990 Reinaldo Arenas muy enfermo de SIDA se suicidaba en Nueva York dejando este estremecedor testimonio personal y político unas memorias a las que había puesto el punto final apenas unos días antes de acabar con su vida Arenas reúne las tres condiciones ideales para convertirse en uno de los muchos parias perseguidos por el régimen carcelario de la Cuba castrista era escritor homosexual y disidente La recuperación de este testimonio ya un clásico pone en evidencia que treinta años después de aquel grito desgarrador aún se silencia y encarcela a intelectuales y opositores y sigue siendo más oportuna que nunca esta reivindicación de los derechos civiles y personales ahora que parecen estar en un continuo retroceso De los bajos fondos de La Habana donde malviven los excluidos del sistema a la opresión en el exterior la vida de Arenas fue muy a su pesar una delicada y comprometida peripecia vital e intelectual *Reading and*

Writing the Ambiente Susana Chávez-Silverman, Librada Hernández, 2000 In this dynamic collection of essays many leading literary scholars trace gay and lesbian themes in Latin American Hispanic and U.S. Latino literary and cultural texts *Reading and Writing the Ambiente* is consciously ambitious and far ranging historically as well as geographically It includes discussions of texts from as early as the seventeenth century to writings of the late twentieth century *Reading and Writing the Ambiente* also underscores the ways in which lesbian and gay self representation in Hispanic texts differs from representations in Anglo American texts The contributors demonstrate that unlike the emphasis on the individual in Anglo American sexual identity Latino Spanish and Latin American sexual identity is produced in the surrounding culture and community in the ambiente As one of the first collections of its kind *Reading and Writing the Ambiente* is expressive of the next wave of gay Hispanic and Latin scholarship

Before Night Falls Reinaldo Arenas, 2020-02-25 Any attempt to reckon with Cuba's torturous twentieth century will have to take into account Arenas's monumental work an essential human testimony joyful and enraged a triumph of conscience Garth Greenwell The acclaimed memoir of queer Cuban author Reinaldo Arenas chronicling his tumultuous yet luminary life from his impoverished upbringing in Cuba to his imprisonment at the hands of a Communist regime The astonishing memoir by visionary Cuban writer Reinaldo Arenas is a book above all about being free said The New York Review of Books sexually politically artistically Arenas recounts a stunning odyssey from his poverty stricken childhood in rural Cuba and his adolescence as a rebel fighting for Castro through his suppression as a writer imprisonment as a homosexual his flight from Cuba via the Mariel boat lift and his subsequent life and the events leading to his death in New York In what The Miami Herald calls his deathbed ode to eroticism Arenas breaks through the code of secrecy and silence that protects the privileged in a state where homosexuality is a political crime Recorded in simple straightforward prose this is the true story of the Kafkaesque life and world recreated in the author's acclaimed novels

Gay Cuban Nation Emilio Bejel, 2001-09 With *Gay Cuban Nation* Emilio Bejel looks at Cuba's markedly homoerotic

culture through writings about homosexuality placing them in the social and political contexts that led up to the Cuban Revolution By reading against the grain of a wide variety of novels short stories autobiographies newspaper articles and films he maps out a fascinating argument about the way in which nationalism and other institutions of power struggle for an authoritative stance on homosexual issues Through close readings of writers such as Jos Mart Ofelia Rodr guez Acosta Carlos Montenegro Jos Lezama Lima Severo Sarduy Achy Obejas Sonia Rivera Vald s and Reinaldo Arenas Gay Cuban Nation shows ultimately that the specter of homosexuality is always lurking in the shadows of nationalist discourse

Dictatorships in the Hispanic World Patricia Swier, Julia Riordan-Goncalves, 2013-07-18 This book broaches a comparative and interdisciplinary approach in its exploration of the phenomenon of the dictatorship in the Hispanic World in the twentieth century Some of the themes explored through a transatlantic perspective include testimonial accounts of violence and resistance in prisons hunger and repression exile silence and intertextuality bildungsroman and the modification of gender roles and the role of trauma and memory within the genres of the novel autobiography testimonial literature the essay documentaries puppet theater poetry and visual art By looking at the similarities and differences of dictatorships represented in the diverse landscapes of Latin America and Spain the authors hope to provide a more panoramic view of the dictatorship that moves beyond historiographical accounts of oppression and engages actively in a more broad dialectics of resistance and a politics of memory

Antes Que Anochezca ,2001-01-01 A look at the life of Reinaldo Arenas from childhood in Cuba to his death in New York City His writings and homosexuality get him in trouble with Castro s Cuba and he spends two years in prison before leaving for the United States *El círculo del exilio y la enajenación en la obra de Reinaldo Arenas* María Luisa Negrín, 2000 This analysis shows that Reinaldo Arenas work is one of exile and alienation Arenas as a human being as well as an author suffered all forms of exile and these influence the structure of his work In his literary work as well as in his life all the definitions of exile given by sociology are present that of inner exile to which Arenas added a new characteristic and that of territorial exile as well His work represents the vision of the marginated imprisoned persecuted rejected The purpose of his novels and poetry is to reveal from a historical reconstruction the explanation of Cuba s constant political problems

Identity and Discursive Practices Francisco Domínguez, 2000 Identity and Discursive Practices Spain and Latin America focuses on contemporary mutual influences between Spain and Latin America It examines discursive practices on both sides of the Atlantic specifically in the fields of political economy identity literature and gender Although the Spanish influence is not obvious in all twelve contributions it is an important component of the substratum from which Latin American culture and identity have both developed over the last five centuries and given rise to a variety of identities and discursive practices With contributions by academics from Spain Chile Brazil Guatemala and Britain the book brings together scholarly expertise to examine issues such as masculinity homosexuality politics culture women s identity nationalism poetry and the current economic influence of Spain in Latin America Scholars and students of both Latin America and Spain will greatly
