

Anthropological Theory

AN INTRODUCTORY HISTORY

R. Jon McGee & Richard L. Warms

EIGHTH EDITION

Anthropological Theory

Sherry B. Ortner

Anthropological Theory:

The Rise of Anthropological Theory Marvin Harris, 2001-08-14 The best known most often cited history of anthropological theory is finally available in paperback First published in 1968 Harris's book has been cited in over 1 000 works and is one of the key documents explaining cultural materialism the theory associated with Harris's work This updated edition included the complete 1968 text plus a new introduction by Maxine Margolis which discusses the impact of the book and highlights some of the major trends in anthropological theory since its original publication RAT as it is affectionately known to three decades of graduate students comprehensively traces the history of anthropology and anthropological theory culminating in a strong argument for the use of a scientific behaviorally based etic approach to the understanding of human culture known as cultural materialism Despite its popularity and influence on anthropological thinking RAT has never been available in paperback until now It is an essential volume for the library of all anthropologists their graduate students and other theorists in the social sciences

Anthropological Theory David Kaplan, Robert A. Manners, 2017-09-05 Anthropological theory has been much discussed in recent years yet the crucial questions still remain how can it be defined how is it developed how is it to be applied and how can one confirm it The editors of Anthropological Theory answer these questions by presenting essays relating to various aspects of anthropological theory Their selections from widely scattered and often difficult to obtain sources present a comprehensive set of writings that describe the current position and issues involved in theory The development of field work in anthropology generated a tremendous emphasis on empirical data and research The plethora of information awaiting collection and the enthusiasm with which the field embraced it so immersed anthropologists that they were unable to relate this new information to the field as a whole Manners and Kaplan believe that this lack of generalization had a profoundly negative effect upon the discipline Therefore they look closely into the relationship between field work and theory in an opening essay and go on to present material that demonstrates the value and the necessity of theory in anthropology Essays by anthropologists and other social scientists deal with explanation evolution ecology ideology structuralism and a number of other issues reflecting throughout the editors conviction that anthropology is a science the goal of which is to produce generalizations about sociocultural phenomena The book provides necessary perspective for examining and evaluating the crucial intellectual concerns of modern anthropology and will therefore be important for the work of every anthropologist

Engaging Anthropological Theory Mark Moberg, 2013 This text offers a fresh look at the history of anthropological theory Anthropological ideas about human diversity have always been rooted in the socio political conditions in which they arose and exploring them in context helps students understand how and why they evolved and how theory relates to life and society

Understanding Culture Philip Carl Salzman, 2001-03-09 Are cows sacred to Indian Hindus because they stand for nature and life as symbolic analysts explain or because they pull plows and fertilize the land providing people with food as cultural materialists argue Are witchcraft accusations a scapegoating of the powerless by the

elite to maintain their ascendancy as materialist class theorists argue or are they social expressions of psychological tensions arising from conflicts in relationships as functionalist psychological anthropologists have argued Understanding culture means understanding and appreciating the diverse theories that offer different perspectives on culture Salzmans Understanding Culture explores six major streams of anthropological theory interdependence in human life functionalism agency in human action processualism and transactionalism determining factors materialism and political economy coherence in culture configurationalism and structuralism transformation through time history and evolution and critical advocacy feminism and postmodernism Each theoretical approach is initially presented in its own terms to show its assumptions aims and accomplishments and each is elucidated and illustrated through arguments and ethnographic examples offered by original theorists and practitioners

Anthropology in Theory Henrietta L. Moore, Todd Sanders, 2005-09-12 The 57 articles collected in this volume together with the editors introduction provide an overview of the key debates in anthropological theory over the past century Provides the most comprehensive selection of readings and insightful overview of anthropological theory available Identifies crucial conceptual signposts and new theoretical directions for the discipline Discusses broader debates in the social sciences debates about society and culture structure and agency identities and technologies subjectivities and translocality and meta theory ontology and epistemology

Anthropological Theory for the Twenty-First Century A. Lynn Bolles, Ruth Gomberg-Muñoz, Bernard C. Perley, Keri Vacanti Brondo, 2022-03-01 Anthropological Theory for the Twenty First Century presents a critical approach to the study of anthropological theory for the next generation of aspiring anthropologists Through a carefully curated selection of readings this collection reflects the diversity of scholars who have long contributed to the development of anthropological theory incorporating writings by scholars of color non Western scholars and others whose contributions have historically been under acknowledged The volume puts writings from established canonical thinkers such as Marx Boas and Foucault into productive conversations with Du Bois Ortiz Medicine Trouillot Said and many others The editors also engage in critical conversations surrounding the canon itself including its colonial history and decolonial potential Updating the canon with late twentieth century and early twenty first century scholarship this reader includes discussions of contemporary theories such as queer theory decolonial theory ontology and anti racism Each section is framed by clear and concise editorial introductions that place the readings in context and conversation with each other as well as questions and glossaries to guide reader comprehension A dynamic companion website features additional resources including links to videos podcasts articles and more

Anthropology in Theory Henrietta L. Moore, Todd Sanders, 2013-12-16 This second edition of the widely praised Anthropology in Theory Issues in Epistemology features a variety of updates revisions and new readings in its comprehensive presentation of issues in the history of anthropological theory and epistemology over the past century Provides a comprehensive selection of 60 readings and an insightful overview of the evolution of anthropological theory Revised and updated to reflect an on going strength and

diversity of the discipline in recent years with new readings pointing to innovative directions in the development of anthropological research Identifies crucial concepts that reflect the practice of engaging with theory particular ways of thinking analyzing and reflecting that are unique to anthropology Includes excerpts of seminal anthropological works key classic and contemporary debates in the discipline and cutting edge new theorizing Reveals broader debates in the social sciences including the relationship between society and culture language and cultural meanings structure and agency identities and technologies subjectivities and trans locality and meta theory ontology and epistemology **Art and Agency** Alfred Gell,1998-07-09 Alfred Gell puts forward a new anthropological theory of visual art seen as a form of instrumental action the making of things as a means of influencing the thoughts and actions of others He argues that existing anthropological and aesthetic theories take an overwhelmingly passive point of view and questions the criteria that accord art status only to a certain class of objects and not to others The anthropology of art is here reformulated as the anthropology of a category of action Gell shows how art objects embody complex intentionalities and mediate social agency He explores the psychology of patterns and perceptions art and personhood the control of knowledge and the interpretation of meaning drawing upon a diversity of artistic traditions European Indian Polynesian Melanesian and Australian Art and Agency was completed just before Alfred Gell s death at the age of 51 in January 1997 It embodies the intellectual bravura lively wit vigour and erudition for which he was admired and will stand as an enduring testament to one of the most gifted anthropologists of his generation **Theory in Social and Cultural Anthropology** R. Jon McGee,Richard L. Warms,2013-08-28 Social and cultural anthropology and archaeology are rich subjects with deep connections in the social and physical sciences Over the past 150 years the subject matter and different theoretical perspectives have expanded so greatly that no single individual can command all of it Consequently both advanced students and professionals may be confronted with theoretical positions and names of theorists with whom they are only partially familiar if they have heard of them at all Students in particular are likely to turn to the web to find quick background information on theorists and theories However most web based information is inaccurate and or lacks depth Students and professionals need a source to provide a quick overview of a particular theory and theorist with just the basics the who what where how and why if you will In response SAGE Reference plans to publish the two volume Theory in Social and Cultural Anthropology An Encyclopedia Features Benefits Two volumes containing approximately 335 signed entries provide users with the most authoritative and thorough reference resource available on anthropology theory both in terms of breadth and depth of coverage To ease navigation between and among related entries a Reader s Guide groups entries thematically and each entry is followed by Cross References In the electronic version the Reader s Guide combines with the Cross References and a detailed Index to provide robust search and browse capabilities An appendix with a Chronology of Anthropology Theory allows students to easily chart directions and trends in thought and theory from early times to the present Suggestions for Further Reading at

the end of each entry and a Master Bibliography at the end guide readers to sources for more detailed research and discussion

Visions of Culture Jerry D. Moore, 2004-02-23 This new edition of Jerry D Moore s *Visions of Culture* presents introductory anthropology students with a brief readable and balanced treatment of theoretical developments in the field New to this edition are pieces on Sherry Ortner Pierre Bourdieu and Eric Wolf an Epilogue that describes key current debates over theory This is an ideal text for classes on the theory or the history of anthropology

Anthropological Theory R. Jon McGee, Richard L. Warms, 2024-10-02 The 1 bestselling anthropological theory textbook now available in ebook format

Anthropology and Social Theory Sherry B. Ortner, 2006-11-30 The award winning anthropologist Sherry B Ortner draws on her longstanding interest in theories of cultural practice to rethink key concepts of culture agency and subjectivity

A History of Anthropological Theory, Fifth Edition Paul A. Erickson, Liam D. Murphy, 2016-10-19 The fifth edition of this bestselling theory text has been revised throughout with substantial updates including more on gender and sexuality and with a new section on Anthropologies of the Digital Age Keyword definitions have been reinstated in the margins and biographical information on theorists has been enhanced to build stronger context for readers On its own or used with the companion volume *Readings for a History of Anthropological Theory* this text provides comprehensive coverage in a flexible and easy to use format for teaching in the undergraduate anthropology classroom

Readings for a History of Anthropological Theory, Fourth Edition Paul A. Erickson, Liam D. Murphy, 2013-04-21 This comprehensive anthology offers over 40 readings that are critical to the understanding of anthropological theory and the development of anthropology as an academic discipline The fourth edition maintains a strong focus on the four field roots of the discipline in North America but has been reorganized with a new section on twenty first century theory including coverage of postcolonial and public anthropology New key terms and introductions accompany each reading and a revamped glossary makes the book more student friendly Used on its own or together with the overview text *A History of Anthropological Theory Fourth Edition* this anthology offers a flexible and unrivaled introduction to anthropological theory that reflects not only the history but also the changing nature of the discipline today For additional resources visit the Teaching Theory page at www.utpteachingculture.com

Readings for A History of Anthropological Theory Paul A. Erickson, Liam Donat Murphy, 2010-01-01 This comprehensive anthology presents 40 readings that are critical to an understanding of anthropological theory and the development of anthropology as an academic discipline The readings have broad anthropological appeal emphasizing social and cultural anthropology The third edition has been completely revised throughout and organized to work more closely alongside the companion overview text *A History of Anthropological Theory* It includes six new readings as well as two original essays written by contemporary anthropologists on *Why Theory Matters* These new essays help ground the more abstract readings in the collection The glossary has been significantly expanded and the discussion questions have been revised The result is a volume that offers not only a strong foundation in the history of the discipline but also a good overview

of developments in twentieth and twenty first century anthropological theory including feminist anthropology postmodernity medical anthropology globalization postcolonialism and public anthropology

The Unity of Theory and Practice in Anthropology, 2009-04-22 NAPA Bulletin is a peer reviewed occasional publication of the National Association for the Practice of Anthropology dedicated to the practical problem solving and policy applications of anthropological knowledge and methods peer reviewed publication of the National Association for the Practice of Anthropology dedicated to the practical problem solving and policy applications of anthropological knowledge and methods most editions available for course adoption

Eating Soup without a Spoon Jeffrey H. Cohen, 2015-11-15 Significant scholarship exists on anthropological fieldwork and methodologies Some anthropologists have also published memoirs of their research experiences Renowned anthropologist Jeffrey Cohen s *Eating Soup without a Spoon* is a first of its kind hybrid of the two expertly melding story with methodology to create a compelling narrative of fieldwork that is deeply grounded in anthropological theory Cohen s first foray into fieldwork was in 1992 when he lived in Santa Anna del Valle in rural Oaxaca Mexico While recounting his experiences studying how rural folks adapted to far reaching economic changes Cohen is candid about the mistakes he made and the struggles in the village From the pressures of gaining the trust of a population to the fear of making errors in data collection Cohen explores the intellectual processes behind ethnographic research He offers tips for collecting data avoiding pitfalls and embracing the chaos and shocks that come with working in an unfamiliar environment Cohen s own photographs enrich his vivid portrayals of daily life In this groundbreaking work Cohen discusses the adventure wonder community and friendships he encountered during his first year of work but first and foremost he writes in service to the field as a place to do research to test ideas develop theories and model how humans cope and react to the world

Schools and Styles of Anthropological Theory Matei Candea, 2018-01-23 This book presents an overview of important currents of thought in social and cultural anthropology from the 19th century to the present It introduces readers to the origins context and continuing relevance of a fascinating and exciting kaleidoscope of ideas that have transformed the humanities and social sciences and the way we understand ourselves and the societies we live in today Each chapter provides a thorough yet engaging introduction to a particular theoretical school style or conceptual issue Together they build up to a detailed and comprehensive critical introduction to the most salient areas of the field The introduction reflects on the substantive themes which tie the chapters together and on what the very notions of theory and theoretical school bring to our understanding of anthropology as a discipline The book tracks a core lecture series given at Cambridge University and is essential reading for all undergraduate students undertaking a course on anthropological theory or the history of anthropological thought It will also be useful more broadly for students of social and cultural anthropology sociology human geography and cognate disciplines in the social sciences and humanities

Handbook of Theories of Aging, Second Edition Merrill Silverstein PhD, Vern L. Bengtson PhD, Norella Putney PhD, Daphna Gans PhD, 2008-10-27 The field of gerontology has often been

criticized for being data rich but theory poor The editors of this book address this issue by stressing the importance of theory in gerontology While the previous edition focused on multidisciplinary approaches to aging theory this new edition provides cross disciplinary integrative explanations of aging theory The contributors of this text have reached beyond traditional disciplinary boundaries to partner with researchers in adjacent fields in studying aging and age related phenomena This edition of the Handbook consists of 39 chapters written by 67 internationally recognized experts in the field of aging It is organized in seven sections reflecting the major theoretical developments in gerontology over the past 10 years Special Features Comprehensive coverage of aging theory focusing on the biological psychological and social aspects of aging A section dedicated to discussing how aging theory informs public policy A concluding chapter summarizing the major themes of aging and offering predictions about the future of theory development Required reading for graduate students and post doctoral fellows this textbook represents the current status of theoretical development in the study of aging

The Human Enterprise James W Lett, 1987-10-28 The Human Enterprise presents a wide ranging but well integrated analysis of contemporary anthropological theory The author explains clearly and cogently how to evaluate scientific theories and encourages students to think critically about the nature of theory itself Thoughtful and thought provoking this text should be a stimulating addition to courses on anthropological theory Part One examines the philosophical foundations of anthropological theory with particular attention to the nature of scientific inquiry and the mechanisms of scientific progress The author proposes an original approach to the comparison and evaluation of competing scientific paradigms Part Two explores the nature of social science and describes distinctive features of anthropology such as the concept of culture and the emic etic distinction The author then surveys the range of research strategies employed by anthropologists and presents a detailed analysis of cultural materialism structuralism and symbolic anthropology The final section uses two celebrated issues the argument about the image of limited good and the sacred cow controversy to illustrate the current nature of paradigmatic debate and to indicate how a clearer understanding of the nature of paradigms and theory might resolve such controversies

Immerse yourself in heartwarming tales of love and emotion with Explore Love with its touching creation, Experience Love's Journey in **Anthropological Theory**. This emotionally charged ebook, available for download in a PDF format (*), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.

Anthropological Theory Introduction

In today's digital age, the availability of Anthropological Theory books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Anthropological Theory books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Anthropological Theory books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Anthropological Theory versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Anthropological Theory books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Anthropological Theory books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Anthropological Theory books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Anthropological Theory books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Anthropological Theory books and manuals for download and embark on your journey of knowledge?

FAQs About Anthropological Theory Books

1. Where can I buy Anthropological Theory books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Anthropological Theory book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Anthropological Theory books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Anthropological Theory audiobooks, and where can I find them? Audiobooks: Audio recordings of books,

- perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
 9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
 10. Can I read Anthropological Theory books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
