Islands Dispute** Robert Eldridge,2014-01-03 Ownership of the Senkaku Islands in the East China Sea is disputed between
China and Japan though historically the islands have been part of Okinawa the southernmost islands of the Japanese
archipelago The dispute which also involves Taiwan has the potential to be a flashpoint between the two countries if relations
become more strained especially as the exploitation of gas reserves in the adjoining seabed is becoming an increasingly
important issue A key aspect of the dispute is the attitude of the United States which surprisingly has so far refrained from
committing itself to supporting the claims of one side or the other despite its long standing strong alliance with Japan This
book charts the development of the Senkaku Islands dispute and focuses in particular on the negotiations between the United
States and Japan prior to the handing back to Japan in 1972 of Okinawa The book shows how the detailed progress of these
negotiations was critical in defining the United States neutral attitude to the dispute and the problems this position presents
