

For the elderly headmaster at the school desperate to recapture his youth, having so many handsome male teachers around always flaunting their young ages was infuriating. Principal Highcourt knew that he had wasted his youth by focusing too much on his studies or his job and never letting himself have any fun but it was too late to fix that now or so he thought. He was in his sixties, never married or with any children and despite being well paid and respected by his colleagues, Highcourt still felt like a failure. He wanted a chance to go back and do it all differently so when he next saw a shooting star passing above his house, he wished for just that - a chance to make his life better.

When he woke up the next morning and looked in the mirror, he was in for the shock of his life. His wish had come true - he was thirty years younger and back in his adult body. Looking around, he realized his room looked slightly different and yet still familiar. It took him some time but he realized that it was exactly how he'd decorated it back when he'd only been thirty years old!

Staring at his reflection in the mirror and taking in the sight of his youthful body, Highcourt found himself getting hard for the first time in what felt like forever. He was barely able to keep his hands off himself, touching his hairy chest and shoving a hand into his loose boxers to stroke the hard wood that was only getting harder. He was so turned on by the experience of being in his younger body that he climaxed in no time but in true young stud fashion, he was already ready to go another round. He didn't just want to pleasure himself though, he wanted to take advantage of what he'd always neglected before and find somebody else to pleasure him.

Being put back thirty years in the past was a strange sensation because everybody dressed and acted different but Highcourt quickly got used to it again. In fact, he loved it. He was in the prime of his life again and this time he wasn't letting that go to waste. He could barely believe that he was back in such a youthful, strong body and ended up stripping down on the regular just to check himself out.

Within a month of the change, he had slept with the majority of the female teachers of the school and had even dominated the male football coach just because he was. Highcourt could barely believe that he'd never taken advantage of this before but now he had a newfound appreciation for youth, he wasn't letting it go to waste. He was still working on his career but right now the most important thing in his life was having fun and making sure he took advantage of this second chance at life. He was going to make his whole life so much better this time round.
