Dead Irish

Kevin C. Kearns

Dead Irish:

Dead Irish John Lescroart, 2005-02-01 THE FIRST NOVEL IN THE NEW YORK TIMES BESTSELLING DISMAS HARDY SERIES In his new life as a bartender at the Little Shamrock Dismas Hardy is just hoping for a little peace He's left both the police force and his law career behind Unfortunately it's not as easy to leave behind the memory of a shattering personal loss but for the time being he can always take the edge off with a stiff drink and round of darts But when the news of Eddie Cochran's death reaches him Hardy is propelled back into all the things he was trying to escape And forced to untangle a web of old secrets and raw passions for the sake of Eddie's pregnant widow Frannie and for the others whose lives may still be at risk

[Dead Irish \(Dismas Hardy Series, Book 1\)](#) John Lescroart, 2021-11-11 He was hoping for a little peace but is propelled back into all the things he was trying to escape John Lescroart introduces Dismas Hardy for the first time in *Dead Irish* the gripping crime thriller Perfect for fans of John Grisham and Scott Turow With John Lescroart's polished writing *Dead Irish* becomes more than a mystery novel with a bartender as detective With razor precision characters stand out flawed and human Chilling in its intensity this is an ingenious tale of many different kinds of people Pasadena Star News An ex policeman ex husband and ex lawyer Dismas Hardy is now a barman wondering what to do with the rest of his life Then he hears that one of his friends Eddie Cochran has just lost his It seems that Eddie killed himself but recently married to Frannie McGuire the sister of Dismas boss Moses Eddie had a lot to live for Reluctantly Dismas agrees to use his long neglected skills to investigate the death if only to rescue Frannie from the agony of believing her husband killed himself At first it appears Eddie was silenced when he stumbled on a drug deal But Dismas gets to know Eddie's family and starts to uncover a reservoir of anger rotting the fabric that binds the generations And then another member of the Cochran clan goes missing What readers are saying about *Dead Irish* Nail biting This book is a joy to read Intricate and fraught with complications nuanced characters and believable relationships

Dead Irish John T. Lescroart, 1996 When the boss of ex cop and current barkeep Dismas Hardy begins an investigation into the alleged suicide of his brother in law also a friend of Hardy Hardy steps in to help the troubled bar owner and becomes privy to lives of the victim's family in his attempt to find the killer

The Bombing of Dublin's North Strand by German Luftwaffe Kevin C. Kearns, 2009-10-16 On the Whit bank holiday weekend of 1941 the neutral Irish capital was suddenly and inexplicably bombed by the German Luftwaffe On a gloriously starry night four bombs fell the last and most devastating at precisely 2 05 a m on 31 May There was a thunderous explosion and the earth quaked Tremors were felt as far away as Enniskerry and Mullingar Panic and pandemonium reigned in a city seized with fear Destruction was astonishing homes and shops in the North Strand were largely demolished 2 250 buildings in the city suffered some bomb damage over forty people were killed about 100 seriously injured many more wounded Hospitals and morgues filled within hours Almost 2 000 people were rendered homeless refugees It would later be determined that in terms of destructive performance a monstrous perfect bomb had done the deed For two thirds of a

century no book was written on what the Evening Herald proclaimed a Night of Horror Later called a seismic event in Dublin's history Finally near the end of the century both the Irish Military Archive and Dublin City Archive declassified their documents on the bombing some stamped Secret for sixty years At last the theories and myths long surrounding the mysterious incident would be examined in the light of real evidence But the heart of a book on so human a tragedy is the oral historical testimony of survivors rescuers and observers who provide graphic eyewitness accounts This is a narrative social history of immense human drama

The World's Best Conundrums and Riddles of All Ages James Gilchrist Lawson,1924

Report on the Condition of Women and Child Wage-earners in the United States ... ,1911

The General Stud Book ,1925

Memories of the Second World War in Neutral Europe, 1945-2023 Manuel Bragança,Peter Tame,2023-12-12 This edited volume is a sequel to and a development of *The Long Aftermath Cultural Legacies of Europe at War 1936 2016 2016* It focuses on the six major European countries and states that remained officially neutral throughout the Second World War namely Ireland Portugal Spain Sweden Switzerland and the Vatican Its transnational comparative and interdisciplinary approach addresses complex questions pertaining to collective remembrance national policies and politics and intellectual as well as cultural responses to neutrality during and after the conflict The contributions are from a broad range of scholars working across the disciplines of history literature film media and cultural studies Their thought provoking chapters challenge many assumptions about neutrality in the post war European and global context thereby filling a gap in the existing scholarship Common themes that run through the volume include the intertwined and dynamic links between neutrality and moral responsibility during and after the Second World War the importance of memory politics and popular culture in shaping collective memories and the impact of the Holocaust in shifting traditional perspectives on neutrality since the 1990s This volume will be of interest to undergraduates postgraduates scholars interested in the field of memory studies as well as non specialist readers

James Joyce's America Brian Fox,2019-02-14 James Joyce's America is the first study to address the nature of Joyce's relation to the United States It challenges the prevalent views of Joyce as merely indifferent or hostile towards America and argues that his works show an increasing level of engagement with American history culture and politics that culminates in the abundance of allusions to the US in *Finnegans Wake* the very title of which comes from an Irish American song and signals the importance of America to that work The volume focuses on Joyce's concept of America within the framework of an Irish history that his works obsessively return to It concentrates on Joyce's thematic preoccupation with Ireland and its history and America's relation to Irish post Famine history Within that context it explores first Joyce's relation to Irish America and how post Famine Irish history as Joyce saw it transformed the country from a nation of invasions and settlements to one spreading out across the globe ultimately connecting Joyce's response to this historical phenomenon to the diffusive styles of *Finnegans Wake* It then discusses American popular and literary cultures in terms of how they appear in relation to or as a function of the British Irish colonial context in the post Famine era and concludes with

a consideration of how Joyce represented his American reception in the Wake Churchill,1929 The Native Speaker Examined Home John Miles O'Reilly,1909 **The World Crisis** Sir Winston Dismas Hardy John Lescroart,2022-05-10 The New York Times bestselling author tells the story of how he created his popular San Francisco sleuth In 1989 everyman Dismas Hardy debuted in John Lescroart s mystery Dead Irish It s a story millions of readers have enjoyed along with other entries in the New York Times bestselling series But a tale they may not know is how Lescroart invented the ex Marine ex cop and ex lawyer turned sleuth In this brief autobiographical essay Lescroart details the development of Dismas Hardy as well as his own career He discusses his attempt to be a serious novelist his stint as the lead singer of a band and his struggle to get published He also talks about how he realized he was meant to be a writer and not working a regular nine to five and how Dismas s adventures almost didn t become the series readers love Praise for the Dismas Hardy Novels Compulsively readable a dense and involving saga of big city crime and punishment San Francisco Chronicle A beautifully written San Francisco murder story with perfect pitch dialogue Playboy on Dead Irish The killer proves to be as fascinating a personality as Hardy himself Publishers Weekly on Dead Irish The narrative flows effortlessly and includes a Perry Mason worthy moment when Hardy manifests a bit of courtroom magic Lescroart is a perfect choice for readers who enjoy great ensemble casts Booklist on Poison *New Catholic World* ,1908 Poetry Harriet Monroe,1916 *Pausanias's Description of Greece* Pausanias,1898 **Haydn's Dictionary of Dates and Universal Information** **Relating to All Ages and Nations** Joseph Haydn,1893 **Lectures and Sermons** Thomas Nicolas Burke,1904 Dead Irish John T. Lescroart,1989 When the boss of ex cop Dismas Hardy begins an investigation into the alleged suicide of his brother in law also a friend of Hardy Hardy steps in to help and becomes privy to the lives of the victim s family The Irish Homestead ,1912 *War Memory and Commemoration* Brad West,2016-07-15 In a period characterised by an unprecedented cultural engagement with the past individuals groups and nations are debating and experimenting with commemoration in order to find culturally relevant ways of remembering warfare genocide and terrorism This book examines such remembrances and the political consequences of these rites In particular the volume focuses on the ways in which recent social and technological forces including digital archiving transnational flows of historical knowledge shifts in academic practice changes in commemorative forms and consumerist engagements with history affect the shaping of new collective memories and our understanding of the social world Presenting studies of commemorative practices from Africa Asia Australia Europe and the Middle East *War Memory and Commemoration* illustrates the power of new commemorative forms to shape the world and highlights the ways in which social actors use them in promoting a range of understandings of the past The volume will appeal to scholars of sociology history cultural studies and journalism with an interest in commemoration heritage and or collective memory
