Deadly Devotion Sheryl Lynn, 1994 *State Violence and Legal Accountability* Ceylan Begüm Yıldız, 2025-02-18 This book pursues a critical perspective on the phenomenon of state violence and its legal unaccountability Focusing on the role of myths assumptions and ghosts that surround the meaning of the state and performance of state violence this book details a fresh perspective on that violence and its legal unaccountability It asks How does our understanding of the state reflect on the political demands and legal processes of accountability To pursue this question the book traces the political and legal aftermath of the police killing of a 14 year old boy Berkin Elvan during the nationwide Gezi protests of the summer of 2013 in Turkey Countering imaginaries of the state clash between the state officer s attempt to attribute personal responsibility to Elvan for his own death and public demands for state accountability Meanwhile the prolonged legal process ensures that subjects who seek accountability find themselves in a long and exhausting legal battle which dominates their lives and transforms their subjectivity As the Elvan family continues to wait for accountability and justice this book suggests that waiting and suspense are key elements of legal performance in trials concerning state violence As such and unlike the usual reading of legal violence which focuses on judgement the book explores how this violence and its implications for an understanding of justice and accountability is bound to the very act of waiting This critical interdisciplinary study of state violence and its legal handling will appeal to scholars and students from a wider range of disciplines including law criminology politics sociology and political and legal philosophy

The Essential Mystery Lists Roger M Sobin, 2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented. He has also included many of the best of lists by more than fifty of the most important contributors to the genre. Mr Sobin spent more than two decades gathering the data and lists in this volume; much of that time he used to recheck the accuracy of the material he had collected. Several of the best of lists appear here for the first time in book form. Several others have been unavailable for a number of years. Of special note are Anthony Boucher's Best Picks for the Year. Boucher, one of the major mystery reviewers of all time, reviewed for *The San Francisco Chronicle*, *Ellery Queen Mystery Magazine*, and *The New York Times*. From these resources Mr Sobin created Boucher's Best and Important Lists to Consider, lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968. This is a great resource for all mystery readers and collectors. Winner of the 2008 Macavity Awards for Best Mystery Nonfiction.

Over Maya Dead Body (Serena Jones Mysteries Book #3) Sandra Orchard, 2017-07-04 FBI Special Agent Serena Jones arrives on Martha's Vineyard with her family ready for a little bit of R & R and a whole lot of reminiscing as they celebrate the engagement of an old family friend. But crime doesn't take a vacation and she's soon entangled in an investigation of a suspicious death tied to an antiquities smuggling ring. When her investigation propels her into danger, Serena must stay the course and solve this case before anyone else dies. But just how is she supposed to do that when the two men in her life arrive on the scene bringing with them plenty of romantic complications and even a secret or two? Award-winning author Sandra Orchard keeps readers guessing with this fast-paced mystery laced with romance.

Blind Trust (Port Aster Secrets Book #2) Sandra Orchard, 2014-06-10 Kate's not sure how deep this deception goes, but she'll do whatever it takes to find out. Kate Adams had no idea she was carrying counterfeit money and can't believe that it came from her sweet elderly neighbor. Or that it has landed her in the middle of another of Detective Tom Parker's investigations. Determined to prove her neighbor's innocence, Kate stumbles into a pit of intrigue far deeper than a two-bit counterfeit operation and one that strikes too close to home for comfort. As family secrets come to light, her world and her budding romance with Tom begin to crumble. To Kate, it's clear that she won't be safe until she uncovers all of Port Aster's secrets. But then, will it be too late for her and Tom? A fun, sometimes quirky whodunit full of everything a mystery lover is looking for, including a dash of romance. Lisa Harris Christy Award finalist and author of *Dangerous Passage*, Sandra Orchard weaves a clever web of suspense in this story of secrets, betrayal, and small-town intrigue. *Blind Trust* will keep readers on the edge of their seats and impatient for book three.
