Three great culture heroes were associated with the origin of Mayan civilization: Votan, who founded the Yucatan Empire seated at Palenque; Itzamna (Zama), the Yucatecan hero; and Kukulcun, whose worship extended throughout the Central American area. All three came from a remote region lying eastward, introduced arts and sciences, and founded religious cults or Mysteries. From the legendary histories of these persons, they should be included as adepts or initiates of ancient Secret Schools, possibly Atlantean.

In a book written in the Quichean language and attributed to Votan, the great one declared himself "a snake," a descendant of Iroco of the line of Ciban. He came to America, by the command of God, from a distant place. He ultimately founded Palenque, and built a temple with many subterranean chambers, which was called the House of Darkness. Here he deposited the records of his nation in the keeping of certain aged men called guardians. There is a legend that this Votan was the grandson of Noah. well known figures including Frederick the Great John Dee Francis Bacon Benjamin Franklin Comte de Cagliostro Helena Blavatsky Rasputin and Woodrow Wilson He contends that the recent formation of the European Union was directed by an umbrella group of secret societies and reveals that though secret societies have been persecuted throughout history they have survived and continue to operate powerfully in world affairs today *Two Crowns for America* Katherine Kurtz,2011-12-14 Bestselling fantasist Katherine Kurtz combines magic Freemasonry and the revalation in this spellbinding tale of the American Revolution as it might have been It s 1775 and in Europe an unseen Master peers into a darkened mirror to see the man whose destiny is to wear the victor s crown Across the sea in a land named for a virgin queen Gen George Washington is thrown from his horse and has a dream that will haunt him for the rest of his life Soon a reluctant Washington will be elected Commander in Chief of the new Continental Army and considered for the position of king of America and his rise will set in motion a chain of events that lead directly to rebellion But little do the colonists and Founding Fathers realize that they are part of a greater plan being used as pawns in another person s game of power and conquest A fascinating blend of history adventure and conjecture which will excite the reader page after page Abilene Reporter News **Assignment Americas** Purnendu Kumar Banerjee,2002 Memoirs of an Indian diplomat assigned predominantly in the United States of America from 1964 1968 **America's Assignment with Destiny** Manly P.
