Another Weird Year 4 Huw Davies, 2012-07-31 In time honoured fashion Another Weird Year 4 brings you the stories that no lover of bizarre inexplicable and downright hilarious news items can afford to miss all handily grouped by theme Love and Marriage Law and Order Animals etc Read about the blind man banned from saying phlegm the woman who bored a burglar to sleep with her family snaps the woman who seduces men in her sleep the man who thought he was a cat and got stuck up a tree another man who got out of his car and took a shower in a car wash with his car left outside the shepherd that had to drive his drunk sheep home and not forgetting the pigs given a sauna and massage before being taken for slaughter proof again from Another Weird Year that there is humanity in even the weirdest human behaviour All the stories are true you couldn t make them up

*It's My F---ing Birthday* Merrill Markoe, 2007-12-18 In the coming year she said hoisting her blindingly clean and gleaming glass into the air may half of all your dreams come true Mom I said to her isn t that kind of pathetic Well it s realistic It s her thirty sixth birthday and she really thought things would be different this year that she d have figured out men and how to get along with her narcissistic parents enough to survive a birthday celebration But nothing s changed Her disappointing day is capped off by the delivery of a huge bouquet of flowers from Carl with whom she has recently and bitterly split A gesture of reconciliation Of passive aggression She s too unhinged to tell It s My F ing Birthday unfolds in seven state of my life addresses this hapless high school art teacher writes to herself on consecutive birthdays as she is determined to break the patterns of behavior that are keeping her down Her objective to avoid making the same mistakes over and over and start making some new ones Through seven outrageously funny years of needling parents self absorbed boyfriends riots O J and Monica and bigger and bigger bouquets from Carl she navigates a circuitous and

ultimately successful route to happiness in a world where everything seems to conspire to the contrary What I Learned This Year That I Need to Remember 1 No more taking the bait from Mom Even if the fight becomes about not taking the bait 2 No more dwelling in the past 3 Try much harder to continue being a vegetarian This will limit the restaurants the folks can take me to 4 No more trying to decode the flowers from Carl If he sends them again just think of them as a fun free thing like a little sample box of cereal or detergent that suddenly appears in the mailbox 5 Don t make a big deal out of the fact that there were no guys this year Perhaps that s a better thing than continuing to get involved with guys who exhibit behavior from the beginning that indicates the whole thing is completely hopeless So try to remember the above as a coping strategy when I am so crazed with horniness that I want to throw myself off a building 6 No more mumbo jumbo This means no more calling 900 astrology numbers listed at the end of horoscopes in women s magazines to find out my love forecast And no more going to psychics no matter how dicey things get
