Ask Thank Tell:

Ask, Thank, Tell Charles R. Lane, 2006-01-01 The goal of this book says author Charles Lane is to perform a dramatic rescue of stewardship freeing it from any connection whatsoever to paying the bills When the Bible talks about stewardship it almost always talks about the intimate connection between how a person handles financial matters and that person's relationship with God Stewardship is an intensely spiritual matter that lies close to a disciple's relationship with Jesus The book is designed especially for use in congregational planning and study Congregational stewardship leaders will come back to three foundational verbs ask thank tell over and over as they help individuals experience the joy of giving generously The author makes the convincing case that there is little in life today that can help a disciple grow in relationship with Jesus more than a solid intentional biblical stewardship

Preaching and Stewardship Craig A. Satterlee, 2011-06-29 Both new and veteran preachers alike find the annual stewardship sermon a challenge and are eager for encouraging practical advice In *Preaching and Stewardship* Craig Satterlee offers a nuts and bolts handbook on preaching stewardship raising issues preachers need to consider when preparing stewardship sermons and offering advice on how to address them Satterlee argues that stewardship preaching must include a bold and concrete proclamation of God's love will and justice as well as an invitation to grow as stewards in response to this proclamation He focuses each chapter on a question preachers ought to ask themselves as they prepare the stewardship sermon beginning with What do you mean by stewardship and Why should we give to the church In chapters 3 through 6 he explores what the Bible says about stewardship In chapter 7 he names some of the assumptions both preachers and worshipers bring to the stewardship sermon The final chapter a variety of ways congregations can support the stewardship sermon Satterlee illustrates the premise of each chapter with anecdotes from congregational life Preachers who desire examples of stewardship sermons will especially appreciate stewardship sermons he shares from various preachers to illustrate points in the main text

[Synergy](#) Ms. Ann A. Michel, 2017-02-27 The people are the church not just the pastor Yet in many congregations there is a heavy imbalance in the ownership of ministry Clergy and paid staff are seen as God's agents in the world and congregants as occasional participants Sometimes clergy and other leaders perpetuate this imbalance Ann Michel presents a more inclusive collaborative understanding of ministry which affirms the gifts and calling of both clergy and lay servants She uses

the concept of synergy as a theological framework undergirding this approach Michel lays out an inclusive and collaborative paradigm of ministry affirming the work of both lay and clergy servants Synergy also provides practical advice on the day to day skills of synergistic or collaborative ministry how to engage others in ministry how to build teams how to manage meetings how to develop others as leaders etc The book helps church workers paid and unpaid understand how their ministry relates to the mission of God and the ministry of the church and provides practical guidance on the interpersonal ministry skills essential to any expression of collaborative ministry Synergy is both a practical and deeply spiritual resource that helps provide a more collaborative way of thinking about ministry shared between clergy and laity Ann has captured the challenges that can present themselves as laity serve in ministry not only from her research but also from her personal experience as a lay person and respected Seminary theologian and she offers practical ways to equip laity to fully live in this call of lay servants and lay staff members As a lay person who has served on a church staff for more than 23 years understanding this synergistic energy articulated so well in Ann s writing has reignited my passion and affirmed my call Debi Williams Nixon Managing Executive Director The United Methodist Church of the Resurrection *An Introduction to Ministry* Ian S.
