**John Wright Vrooman**

## Assembly Distinctives:

**Assembly Distinctives** Harold Mackay, 1981      **My Letters to the Church** Genesis McKenzie, 2008-04 McKenzie provides an analysis of anti-Semitism in Christian doctrines from a theological perspective and shows how to destroy the leaven of anti-Semitism in Christian doctrine once and for all      **One Lord, One Faith, Second Edition** Rex A. Koivisto, 2009-01-01 One Lord One Faith is a plea and plan to re-envision the Church as a broad cross-denominational community with a shared faith in the Christ of the Gospel. It both affirms the place and inevitability of individual denominational traditions and also provides a grid from which to distinguish those denominational traditions from the core of historical orthodoxy shared by the entire Christian community. The book seeks to distinguish denominationalism from sectarianism and identifies sectarianism as the true enemy of historic catholicity      **A Distinctive People** Brian R. Talbot, 2014-10-07 A Distinctive People is the first detailed academic study of some important themes amongst Baptists in Scotland in the twentieth century. The authors, specialists in their field, evaluate aspects of the history of Baptists with critical and academic awareness: attitudes to war and pacifism; the influence of the charismatic movement; involvement in social action; contributions to ecumenical relations; the logical influences on Baptists; home mission; key leaders within the denomination; men and women, both those ordained to pastoral ministry and lay people. This book is bound to be a seminal study of this subject for years to come      The Open Brethren: A Christian Sect in the Modern World Peter Herriot, 2018-12-13 This book gives a personal insight into the hearts and minds of a fundamentalist Christian sect, the Open Brethren. Using Brethren magazine articles, obituaries, and testimonies, Peter Herriot argues that the Brethren constitute a perfect example of a fundamentalism. Their culture is entirely opposed to the beliefs, values, and norms of modernity. As a result, like other fundamentalisms, they challenge modern Christianity and impede its efforts to engage with global society.

*F.F. Bruce: A Life* Timothy Grass, 2011-04-01 Grass outlines the life of F.F. Bruce, one of the most significant Evangelical scholars of the 20th century. He does so with originality, insight, and a grasp of the implications for the church today. Evangelicals have often wrestled with two problems: the relation between academic theology and church life, and the quest for recognition of their status as credible interpreters of the Bible. Frederick Fyvie Bruce (1910-1990) was one of the most influential British biblical scholars of the 20th century, and his career offers valuable insights into these issues, as well as shedding light on the ways in which Evangelicalism was changing from the 1950s onwards. This biography integrates discussion of his family life, his activity as a member of the Open Brethren, and his academic career. Tim Grass argues that Bruce, like his father, was always something of an evangelist at heart      Sermons on the Distinctive Doctrines of the Church of Ireland, as Opposed to Modern Innovations Alfred Clayton Thiselton, Clergymen of the Church of Ireland, 1873
