

Class Reunion

Richard Braden

Class Reunion:

Class Reunion Rona Jaffe, 2015-03-24 Twenty years after their college graduation four Radcliffe girls return to their Harvard class reunion with mixed emotions and curiosity It is the first time they have met since their hopeful student years when each of them had wonderful dreams of becoming wives mothers and successful career women But much has changed since the fifties and the former classmates lives have been altered by events none of them could have foreseen Humorous heartwarming often poignant and nostalgic Class Reunion captures the spirit of the fifties brilliantly in contrast to the changing world the four girls have embraced often with straightforward and pithy commentary on the social conventions of the past

A Room Full of Mirrors Keiko Ikeda, 1998 Drawing on candid personal narratives derived from reunions ranging from the fifth to the fiftieth this pathbreaking book demonstrates that for many Americans the high school reunion is a rich poignant experience and a dramatic moment in the construction of self and meaning in adulthood

Pretty Is as Pretty Does Debby Mayne, 2013-06-01 Priscilla Slater goes to her ten year high school reunion with equal parts dread and eager anticipation Even though she s a successful owner of a chain of hair salons and no longer has the mousy brown hair crooked teeth and discount store wardrobe she still feels like the ugly duckling But when she arrives at the reunion Priscilla soon realizes that her old classmates aren t exactly as she remembers them With humor and a just a touch of sassiness Priscilla finds herself facing her own truth and she may be surprised at what she discovers

Bless Her Heart Debby Mayne, 2013-08-06 As Priscilla Slater s 15 year class reunion approaches she decides to attend out of curiosity and to flaunt her latest achievement taking her business to a national level with the possibility of a TV show As if getting ready for the event and putting up with the pranks of her former classmates isn t enough Priscilla s hometown visit is further complicated by her parents separation With the once solid sanctuary of her home broken at the foundation there s only one thing Priscilla s parents can agree on no matter what sort of accolades their daughter receives as a hair stylist she s not living up to her potential Eager to escape the painful reality of her childhood home Priscilla bolts as soon as a call from New York brings good news her offer to purchase one of the best salons in the country is likely to come through But returning to New York means returning to Tim Priscilla s best friend and business pal who has been impatiently suggesting their relationship should be more than a friendship Despite her recent achievements will Priscilla learn that success doesn t always result in popularity or love

Reunions Richard Braden, 1999-12 Reunions is a story about three people two men and one woman who graduate from the same high school in Florida in the 1950s They go their separate ways then are reunited for three events two class reunions and a funeral The two men do well in life because they are highly educated and know where prosperity lies The woman is not so fortunate she ends up in a bad marriage and is forced to separate herself and her children from an angry spouse One man the narrator considers her a victim of society and tries to help her through life The other man shuns her seeing her as a danger to society an opportunist and a traitor to family values The men clash at two

class reunions defending their ideologies and concepts about what is right in mainstream America and what is wrong Their politics diverge significantly The third time the three meet is at the funeral of the son of one This is a reflection of life as we know it at the end of the Twentieth Century **After the Reunion** Rona Jaffe,2015-02-24 The popular sequel to Class Reunion Rona Jaffe s After the Reunion continues the heartwarming story of Daphne Emily Chris and Annabel five years after their class reunion The affluent quartet now in their mid forties is each coping with romantic and domestic problems at home while trying to outgrow the social and moral codes that controlled them during their Harvard years After the Reunion is a return to some of Rona Jaffe s most beloved characters and readers will undoubtedly embrace their own reunion with these characters on the page [A Pictorial History of Martin County, Kentucky](#) ,2001 *The Saint Mary-of-the-Woods Alumnae News* ,1930 **Class Reunion** Rona Jaffe,2026-05-19 Four women reflect on the past at their college reunion in this absorbing novel of love friendship and secrets by a New York Times bestselling author The Washington Post In Class Reunion Rona Jaffe does what she does best A literary dessert with the unmistakable touch of a master chef Associated Press Twenty years after their college graduation four Radcliffe girls return to their Harvard class reunion with mixed emotions and curiosity It is the first time they have met since their hopeful student years when each of them had wonderful dreams of becoming wives mothers and successful career women But much has changed since the fifties and the former classmates lives have been altered by events none of them could have foreseen Humorous heartwarming often poignant and nostalgic Class Reunion captures the spirit of the fifties brilliantly in contrast to the changing world the four girls have embraced often with straightforward and pithy commentary on the social conventions of the past It s the kind of book multitudes of people will read avidly It s difficult to put her novel down New York Daily News Ms Jaffe s fans will love it Fast paced and sympathetic Well crafted Sensitive Houston Chronicle Originally published in 1979 [The Michigan Alumnus](#) ,1898 In volumes1 8 the final number consists of the Commencement annual **The Phillips Bulletin** ,1913 [Tickled Pink](#) Debby Mayne,2013-10-15 Priscilla Slater shows up at her 20 year reunion as a national celebrity Her hair salon dynasty has skyrocketed and to top it off she has her own line of hair products She has become a huge success with the Ms Prissy Big Hair line that lets women with the thinnest of locks get the coveted big hair look so popular in the South Her classmates have finally come to terms with adulthood but they re handling it with the grace of a Southern woman wearing white after Labor Day It s just downright awkward Asserting the maturity that her classmates have often lacked Priscilla holds her head high But she can t ignore everything When she catches her mother in the arms of her former high school principal Priscilla can t get out of town fast enough Eager to get back to her more comfortable life Priscilla runs head on into an ultimatum Tim tells her they re not getting any younger as if she has to be reminded *Class Reunion* Tammy Vreeland,2011-06 Tonya has just received a call from Darla an old school mate asking her to come to a class reunion Feeling guilty about leaving and never looking back Tonya decides to go The reunion is all about catching up with old friends One friend though is quite upset with

the different paths people chose after graduation They feel it is their duty to keep the reputation of the class and school intact Through the years they had done exactly that Now with the reunion coming up it was the perfect time to deal with many of the classmates in one night It s a simple concept they plan on using the different types of kills Tonya uses in her current horror book *Classmates* to make their own statement This will take the suspicion off them and place it on what may simply be a fan of Tonya s making a point Only the classmates themselves will know the true identity of the killer but by then it will be too late
