**Spiritual Warfare** Jhordan Solomone,2014-10-28 The war is on We wrestle not against flesh and blood but against principalities against powers against spiritual wickedness in high places The bible says

that as Christians we should think it not strange regarding the fiery trials that we sometimes undergo as if something strange were happening to us This is my account of how the devil oppressed me in my mind for 8 long years It was the death of my last son that awakened me to the reality that behind all my failures and all my setbacks was satan himself It was at that point that I came to the realization that something was fundamentally wrong and I had to get to the bottom of it After seeking God with much prayer and supplication he revealed to me that the devil had been sent on assignment to steal kill and destroy me And he set out to do it through my mind For years I struggled with doubt fear guilt anger depression low self esteem and lack of self confidence Through a curse I had been set up for a lifetime of failure after failure and this was strategically designed for me to lose hope in God and to give up the Christian walk Read my account of how the devil oppressed me mentally and the steps that I took under the leading of the Holy Spirit to free myself from Satan s deadly grip Learn how you can recognize demonic oppression of the mind and the devices used by the enemy to oppress you You shall know the truth and the truth shall set you free

**The Language of Heresy in Late Medieval English Literature** Erin K. Wagner,2024-04-22

Vernacular writers of late medieval England were engaged in global conversations about orthodoxy and heresy Entering these conversations with a developing vernacular required lexical innovation The Language of Heresy in Late Medieval English Literature examines the way in which these writers complemented seemingly straightforward terms like heretic with a range of synonyms that complicated the definitions of both those words and orthodoxy itself This text proposes four specific terms that become collated with heretic in the parlance of medieval English writers of the 14th and 15th centuries jangler Jew Saracen and witch These four labels are especially important insofar as they represent the way in which medieval Christianity appropriated and subverted marginalized or vulnerable identities to promote a false image of unassailable authority

**Fighting Demons While Chasing God!** Kimberly Faith Cagle MEd,2023-10-24

Knowing that you are not fighting demons on your own is crucial in your walk with Christ It has been the many battles that Faith faced beginning as early as six years of age that making a decision to allow the trials and battles of life along with the demons of this world either tear her down or let her faith in God bring her through those battles stronger closer and more equipped to face the enemy head on Some of the battles we face are created to simply distract us from our calling set us back for God s plans for our lives or to completely destroy our testimony as Christians With all the various types of sin excuses and compensation that the enemy presents us with it is a wonder that we can make it to become successful believers in the Lord Jesus Christ but that is where the strength of true faith God s grace mercy and forgiveness overcomes the evil one Enter into a small portion of obstacles that Faith went through to know you are not alone God is always with you and His plan is always perfect

**Armed for Battle** Bill Vincent,2017-03-03 God spoke to Bill Vincent and said there is a battle command I want to release in your midst The battle command is against demonic spirits Bill really believes that there are really a lot of demonic spirits in the church A lot of demonic spirits come through in a lot of things that we deal with The curse of Adam and Eve is still in full operation in the earth It would be foolish for us to think that we have no sin in our hearts and lives We are all stuck with having to deal with real demonic spirits None of us can say otherwise Many say I don t have anything to deal with I don t need to deal with things of this world That s never going to be true When we are not dealing with things then something is wrong We must be going the wrong direction or something It has been estimated that 25% of the miracles that Jesus performed were casting out demons out of people Like it or not we have been born in a war zone When you are born again you are born into a war zone You have to realize just because of the day Adam and Eve fell we have been born into a war zone to have to deal with spiritual wickedness in high places Whether there is a snake still going about talking about the devil He is still trying to tempt and just destroy us and sway us off the path that we are supposed to be on Not only are we all stuck to have to battle with people who have chosen and here is what Bill means by this they have chosen by their own free will to live a life on the dark side

**Interview with a Spiritual Warrior** George Macias,2020-06-24 This book documents my unique firsthand experiences as a spiritual warrior for the Lord Jesus Christ For the past fifteen years I have been battling evil entities in the spiritual realm and thanks to the Lord I have successfully overcome them To begin the Lord had to teach me how to enter the spiritual dimension and travel outside of my physical body This book details my becoming a spiritual warrior of the Lord The Lord called me to my mission in 1984 when I was visited by the Blessed Mother who gave me the Lord s graces and blessings and awakened me to my spirituality Since then the Holy Spirit has guided me increasing my acceptance that I had a special gift As a truly charismatic Christian I have been blessed with the miraculous gift of being groomed by the Holy Spirit to fight spiritual battles on behalf of those whom the Lord has guided to me The Holy

Spirit has taught me how to fight these battles not in the physical world but in the spiritual realm of our Lord Through this miracle I have traveled to the stars and beyond to far distant planets and to other dimensions outside of our galaxy to do the work of our Lord This book documents my fifteen years of experience as a spiritual warrior In a world full of ever increasing reports about people who have had spiritual encounters I have experienced life after death and as a warrior I have personally battled evil entities In 2014 I received a message from the Lord that instead of visiting people in their homes to pray for them I needed to write a book on my spiritual battles By writing the book it would enable me to help not just hundreds of people but literally thousands throughout the world I believe our salvation depends on having a deep awareness and understanding of our spirituality People also need to connect with their spiritual side in order to become successful and fulfilled in life We all want to live life to the fullest This book will help the reader to accept the Lord s blessings and the Lord s graces unlocking the secrets of your spirituality It will give people hope and increase their faith
