Butterflies Bree Wolf, Friendships are easy until feelings change And secrets ask to be shared Fresh from the summer that changed everything Gabriel Scott steps into autumn surrounded by real friendships for the first time But something s different Love unexpected and quietly blooming enters their world leaving some hearts light and others quietly hurting And Gabriel suddenly caught in the middle must decide how to hold their friendship together Some secrets are heavy Others glow When Jack and Eddie confide in Gabriel he longs for someone who might understand Someone with wisdom and warmth who always knew just what to say He turns to the memory of Hannah the red haired girl who taught him how to be brave whose light never truly faded Because even when voices go quiet some friendships still speak Gabriel still talks to her In whispers In questions In firefly glimmers that feel like gentle answers And slowly he learns that loyalty isn t loud it s listening when a friend is ready It s showing up even when the road twists And it s trusting that the ones who mattered most never really leave She changed his summer Her light still guides his fall For every child learning that friendship takes courage and every grown up hoping they ll hold onto the ones who shaped them this story is yours **Omoo** Herman Melville, 1875 **Good Times/bad Times** James Kirkwood, 1968 **Good Times Bad Times** is the story of an eighteen year old boy groping to find himself battling to protect a profound friendship and manfully enduring torment until her can endure it no longer Peter Kilburn son of a down on his luck Hollywood actor has been sent East to take his senior year at Gilford a once fashionable but now decidedly second rate New England prep school Lonely among a pack of alien schoolboys but proud defiant and totally sympathetic Peter vows to prove his worth to Gilford s forbidding headmaster who compulsively seeks to restore to the school the honor that was so badly tarnished by scandal only a few years earlier In **Jordan Legier** a frail but charismatic young man wise beyond his years Peter finds a warm friend Witty knowing and generous Jordan shares with Peter a series of
