solution have friends Also magic The result A thoroughly engaging completely entertaining novel by the great Donna Levin Karen Joy Fowler PEN Faulkner award winner Man Booker award nominee and New York Times bestselling author of The Jane Austen Book Club Four women find humor truth romance and a better path forward by deconstructing memory and emotion and expose a wannabe cult leader along the way Hunter is lost Her husband left her for Angelica her former best friend whose new hit memoir is spreading unsavory lies about Hunter She s unemployed with no prospects and the San

Francisco flea market she's wandering on a weekday is so foggy that she literally doesn't know where she is. It's only after a helpful visit and a gift from a stranger who appears from the mist that Hunter finds her resolve. She begins a support group for women looking for new beginnings only to have Angelica start one too. In the next room over, one that feels very culty, The Talking Stick is the adventure of Hunter and the three women who join her reclamation journey. Together they reexamine their pasts, explore their grief, addictions, parenting, and marriages, and discover that some of their most cherished memories are romanticized versions of the truth. Meanwhile, they unearth other memories, memories that challenge how they've been living for years. And with the help of a lawyer who prefers life on a houseboat to the pretensions of the city, Hunter unravels Angelica's scheme. The Talking Stick is a fast-paced dramedy set in the Bay Area, told with the characteristic humor of Donna Levin, an author whom Kirkus called "a witty modern voice" and the Los Angeles Times deemed a novelist to keep high on your reading list.

The Bakelite Jewelry Book Corinne Davidov, Ginny Redington Dawes, 1988. During recent years, the Bakelite jewelry of the 1930s has become a trendy and popular fashion accessory and much-valued collectible. Emblematic of a unique culture that only could have blossomed between a depression and a world war, this cheeky costume jewelry is beautifully shown here in its amazing range: humor, high style, good-hearted silliness, streamlined chic, and daring inventiveness. Bakelite, the first thermosetting plastic, formed the basis for a Depression-era fashion trend that began to spread like wildfire and died away all within a few short years, between 1933 and 1941. Two generations later, there is an astounding resurgence of interest in Bakelite jewelry. Among fashion trendsetters, there is growing infatuation with these playful and very wearable baubles. Among serious collectors, there is fierce competition for the rare quality pieces that were made in limited numbers under such evocative brand names as Marblette, Gemstone, Prystal, Agtine, and Catalin. Bakelite seems to be everywhere, and prices are rising. The authors have assembled for this book from many sources the greatest array ever seen of Bakelite jewelry. They have also appended a very useful guide to prices. ILLUSTRATIONS: 150 full colour.
