The CNA Study Guide Arnaldo Abington,2021-03-08 Each individual state regulates the education and certification of CNAs CNAs are required to take mandatory education as well as complete a CNA certification exam The best way to pass the exam is by studying with CNA practice tests The book comes with a bonus CNA Blueprint which is perfect for exam techniques and time management for last minute and seconds reviews Now what s included in this book 22 Step by Step skills 300 Practice exam questions Detailed answers and explanation Most current and Updated Techniques Secret checkpoints the examiner is looking out for Ultimate CNA Blueprint Critical Information you are supposed to know to have success taking the Exam *The Official CNA Study Guide* Deborah Clark,2015-08-24 On Sale Now Get the Official CNA Study Guide before the sale ends The Official CNA Study Guide was created so as to provide potential Certified Nursing Assistants that ability to effectively and efficiently prepare for the CNA exam Unlike most CNA Study Guides this Official CNA Study Guide boasts the most information practice tests and more for the lowest price on the market How The CNA Study Guide Can Help You Getting a CNA certification can be a difficult process First you need to pass your written exam and then you need to get through the practical portion as well Although your certification course should help to give you the CNA building blocks you ll still need something to help put it all together This is where the Official CNA Study Guide can help Through this professionally structured CNA Study Guide you ll get key points from CNA professionals study tips to help improve your score and a layout to help you get more out of your studies in less time In sum this Certified Nursing Assistant Study Guide will help you and your studies become more efficient and effective What the Official CNA Study Guide Will Provide The Official CNA Study Guide was structured so give you the necessary tools to build upon your course work and help to focus your studies in the area you need more help with To accomplish such a task we ve provided the following features inside the CNA study guide 1 Pretest 2 Practice Tests with Answers Both Written and Critical Skills Coverage Set of Procedures the Critical Skills Practical Exam Complete coverage of the CNA NNAAP Standardized Testing CNA Study Guide Benefits Break Down The CNA Pretest has been designed to help you figure out where you are strongest and what subjects you need extra help with This will ensure you spend the right amount of time on the right areas The set of procedures in this CNA Study Guide have been developed to help you prepare for all of the different practical factors you will most likely have to perform during your Skill Test set The procedures in this CNA Study Guide will help to ensure you can quickly flip through them and get the right information and quickly move on to the next set with the swipe of a finger if you re using our ebook version or turn of a page Finally at the end we will have 2 full practice tests so that you can gauge whether or not you are fully ready for your final certification This will focus on key questions that many previous CNAs have struggled with and will focus on those areas so as to give you the best indication of whether or not you are truly ready Reasons Why You Need This CNA Study Guide Getting prepared for the CNA exam is no easy task According to a result poll over 27% of those that take

the test fail That means those students wasted their money and their time This can be absolutely frustrating and cause many problems in the future Another reason having a CNA Study Guide on hand is super important is that once you become a certified nursing assistant you will only have certification for that particular state So if you move to another state at some point in your life you will have to re certify in that state That may sound easy considering you might have done it for years before moving however imagine taking the drivers test again after all those years of learning how to really drive a car You probably don t follow all of the rules right Well the same can happen to a CNA They can develop the get it done the right way type attitude which won t test well on the certification exam 10 out of 10 must have for all CNA s
