Critical Essays on Eugene O'Neill James J. Martine, 1984 If one were to climb the beanstalk of American drama what would be discovered at the very top is a giant His name is Eugene O Neill He towers above American drama like a colossus and for many critics theatrical reviewers and scholars other playwrights were but petty things to walk under his huge legs and peep about Monumental is the word most often used to describe O Neill s work from *Strange Interlude* to *A Touch of the Poet* This word may be used as well to describe O Neill and his reputation No one ever accused O Neill or his work of being too small So says editor Martine in introducing this collection with his own compendious bibliography of O Neill scholarship ISBN 0 8161 8683 9 28 50
