An Actors Revenge:

An Actor's Revenge Ian Breakwell,1995-11 No Marketing Blurb Japanese Classical Theater in Films Keiko I. McDonald,1994-12 Noh Kabuki and Bunraku are the three distinct genres of classical theater that have made Japan s dramatic art unique The audience steeped in these traditional theatrical forms sees many aspects of stage conventions in Japanese cinema This intimacy makes the aesthetic intellectual experience of films more enriching Japanese Classical Theater in Films aims at heightening such awareness in the West the awareness of the influence that these three major dramatic genres have had on Japan s cinematic tradition Using an eclectic critical framework a solid combination of historical and cultural approaches reinforced with formalist and auteurist perspectives Keiko I McDonald undertakes this much needed ambitious task

The Japanese Period Film S.A. Thornton,2007-11-13 This study examines the history of the Japanese period film and proposes that a powerful relationship exists between the past and present in Japan s narrative tradition The first section of the book analyzes the form and function of the Japanese period film describing the unique iconography and characteristics of films set in the past The author also examines how the period film has allowed Japanese filmmakers to circumvent government censorship by serving as a rhetorical device with which they can explore contemporary concerns through a criticism of the past The final section of the book contains chapters that focus on the narrative in Japanese epic religion theater and modern popular literature A complete filmography and bibliography are included

Creative Context Nissim Otmazgin,Eyal Ben-Ari,2020-04-23 The purpose of this volume is to broaden scholars analytical perspective by placing the creative industries in frameworks that compare and contrast them with other kinds of entities organizations and social forms that mix creativity and production In other words this volume aims to set out an emerging agenda for the study of creativity in the cultural and media industries Although this work focuses on the media and cultural industries they are investigated in the context of other groups and organizations connecting forms of creativity with an explicit emphasis on turning ideas into concrete practices and products The originality of this book lies in 1 presenting a comparative and interdisciplinary perspective that develops a new framework and analytical concepts to understand the notion of creativity in the media and cultural industries and 2 providing a series of fresh empirically based studies of the process of creativity in fields such as advertising fashion animation and pop culture This comparative move is taken in order to generate new insights about the particular features of the creative industries and new questions for future analysis
