Basic Bible Commentary Revelation:

Basic Bible Commentary Revelation Robert Conn,1994 A basic commentary on Revelation for use in adult personal and classroom study Revised and updated Based on the NRSV and NIV Translations Covers every book verse by verse Each volume also contains maps charts a pronunciation guide and a glossary *Revelation- Everyman's Bible Commentary* Charles C. Ryrie,1996-04-05 Not to mystify but to clarify According to Dr Charles C Ryrie the book of Revelation was not designed to confuse or mystify its readers but to enlighten them about future events Revelation the only major prophetic book in the New Testament was written by the apostle John while in exile on the island of Patmos John was commanded by God not to seal the book 22 10 and those who read it are promised a special blessing 1 3 Apparently therefore the book was expected to be intelligible and helpful to those who read it This refreshing concise new edition with helpful charts and graphs is written especially for those who want to understand what lies ahead in God s plan Dr Ryrie s careful attention to detail and understandable explanations will not only help to clear some of the mystery surrounding the book of Revelation but heighten your confidence that God s victory over Satan death and sin is only a matter of time Blessed is the one who reads the words of this prophecy and blessed are those who hear it and take to heart what is written in it because the time is near Revelation 1 3 NIV *Revelation (Understanding the Bible Commentary Series)* Robert W. Wall,2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series **Revelation (Everyday Bible Commentary series)** Charles C. Ryrie,2018-06-05 Revelation is a wild book It s full of strange hybrid animals with extra wings horns and eyes It contains both descriptions of historical events and prophecies about the future And it can be difficult to know which parts are figurative and which parts are literal What we need is a guide someone who will tell us what s historical and what s prophetic and explain all the strange symbolism clearly and simply This is what the best preachers do but you don t have to wait until Sunday s sermon Encounter the beautiful depth of Revelation through an enlightening verse by verse commentary from Charles Ryrie that s both straightforward and insightful You ll gain Important historical background Insights from the original language Explanations of the prophetic symbols And more You don t have to go to seminary to encounter God in exciting new ways through His Word Discover how much more enjoyable your personal study will be with understandable quality Bible commentary for everyday life **The History of Revelation** Floyd I. Buffenbarger,2012-01-16 An in depth study of the history and culture setting behind the book of Revelation and the cruel leaders leading up to the apostle Johns banishment to the isle of Patmos Patmos during John s time was the place where

prisoners were sent live out their last days Yet today Patmos is a beautiful Greek island resort in the Aegean Sea just off the coast of Turkey It is here on the island that John will receive the vision to write while on the Lord s day John will be told to write those things that Daniel was commanded to close up and seal until the time of the end

to a world of sin and evil and how He intends to recreate a new heaven and new earth where righteousness dwells Reverend Brinson is a devout Christian who loves to discover the truth of Gods Word While sharing a thoughtful yet simple interpretation of the book of Revelation Brinson helps spiritual seekers understand Gods Word as the simple truth clarifying the message behind this important Scripture Brinson carefully examines the four visions of Revelation which evaluate the church relative to its worthiness in the Kingdom of God describe the events that take place before God creates a new heaven and new earth show the rise and fall of Babylon and reveal the glorious future to be realized in the new heaven and new earth We Win seeks to help anyone interested in better understanding the book of Revelation and its significant message that God does indeed have a grand and glorious plan for the future where in the end we win Subject Guide to Children's Books in Print 1997 Bowker Editorial Staff,R R Bowker Publishing,1996-09 A Fundamental Wesleyan Commentary on Revelation Vic Reasoner,2005-01-01 Throughout this commentary I attempt to interact with various interpretations However it is unwieldy to carry a running debate with multiple positions from verse to verse Therefore I establish in the introduction what I believe to be the proper approach to Revelation and why Although my basic orientation toward Scripture is from a Wesleyan perspective I cannot accept their historicist approach to this book Therefore I will try to give a thorough overview of Wesleyan thought but at the same time suggest a preterist approach which I will attempt to argue is consistent with Wesleyan principles of interpretation A contemporary Wesleyan Arminian approach to the book of Revelation should include these seven major themes which I attempt to emphasize 1 The full authority of Scripture 2 The deity and centrality of Jesus Christ 3 The victory of the cross 4 A realized eschatology of the kingdom of God 5 The necessity of holy living 6 An optimism concerning world evangelization 7 The possibility of apostasy p viii Forthcoming Books Rose Army,1999 **Catalogue of Printed Books** British Museum.
