Basic Christian Ethics Paul Ramsey, 1950-01-01 This treatise on Christian ethics is one of the most thoughtful and comprehensive presentations of the subject we have had in many years It should be of inestimable value not only to the general reader but also to students and classes in our colleges and seminaries Reinhold Niebuhr Part of Westminster's Library of Theological Ethics series Basic Christian Ethics Henry Stob, Calvin Theological Seminary, 1965 *Ramsey's Basic Christian Ethics: a Critique* Peter Anthony Bertocci, 1952 **Basic Christian Ethics** George Wolfgang Forell, 1956

Christian Ethics Robin W. Lovin, 2010-03-01 In this excellent outline of Christian ethics Robin W Lovin achieves a balance between the questions and issues which form the core of the study of ethics and the life situations from which those questions arise Eschewing a sectarian approach which dismisses other understandings of the moral life Lovin nonetheless lays claim to a specifically Christian understanding of ethics He begins with basic Christian convictions about the reality of God and human redemption and weaves these convictions into the fabric of moral concerns that are widely shared in contemporary society He takes note of the problems that arise when Christians try to act on or enforce their convictions in a pluralistic society and recognizes the variety of theological and moral beliefs that are held within the Christian community as well as in the wider society *Fundamental Christian Ethics* Daniel Heimbach, 2022-11-01 In *Fundamental Christian Ethics* Daniel Heimbach draws from decades of research and scholarship to introduce the field of Christian ethics in a

comprehensive manner while showing how it dialogues with modern day ethical topics and issues **The Essential Paul Ramsey** Paul Ramsey, 1994-01-01 Paul Ramsey was one of the most important ethicists of the twentieth century From the publication of his classic *Basic Christian Ethics* in 1950 until his death in 1988 his writings decisively shaped moral discourse and reflection in the areas of theology law politics and medicine This collection of Ramsey's most important essays on Christian political and medical ethics displays the scope and depth of his vision highlighting both the character of his theological commitments and the continuing significance of his work for the pressing moral problems of our day Selections deal with such issues as race relations sexuality and marriage war the meaning of Christian love abortion and medical care for the sick and dying A general introduction by William Werpehowski and Stephen D Crocco evaluates Ramsey's career and accomplishments and reviews contemporary criticism of his output and legacy Shorter introductions to each selection point out crucial themes and lines of development in Ramsey's thought **An Introduction to Christian Ethics** Roger H

Crooks, 2015-10-02 This book is a college level introductory textbook in Christian ethics It introduces the field of ethics and a variety of approaches to its study The book is written for college students and is designed to help them develop a method of dealing with the thorny moral issues *The Bible and Ethics* David Gooding, John Lennox, How can one book be so widely appreciated and so contested Millions revere it and many ridicule it but the Bible is often not allowed to speak for itself *Key Bible Concepts* explores and clarifies the central terms of the Christian gospel Gooding and Lennox provide succinct

explanations of the basic vocabulary of Christian thought to unlock the Bible's meaning and its significance for today **Paul Ramsey's Notion of Christian Love in Basic Christian Ethics** Peggy Sue Dobeck, 1980 *Faith & Action* Heinz Horst Schrey, 1970 **Basic & Applied Christian Ethics** Patrick Enoch Nmah, 2004 **Christian Ethics** Bernard Hoose, 1998 This general introduction to Christian ethics looks at all the major themes in fundamental and applied moral theology and investigates a range of issues including the role of the Bible social and interpersonal ethics and euthanasia **Christian Ethics** Denise Lardner Carmody, John Carmody, 1993 This book presents the current concerns of Christian ethics giving readers the opportunity to view the foundation as well as the preoccupation of the subject at hand Covers a selection of current problems ranging from war and peace to sexual medical and environmental ethics *Christianity: A Brief Survey* Michael D. Robinson, 2022-05-13 Christianity is a way of life centered on the person life teaching death and resurrection of Jesus the Christ As a religious way of life Christianity is multifaceted involving numerous beliefs and practices This book explores many of the varied facets of the Christian faith including its foundations in the story of Israel the person of Jesus the early Christian community and the sacred text called the Bible In turn Robinson's book examines Christianity's core doctrines ethical norms and worship practices rounding out the study by considering four key contemporary challenges faced by Christian believers namely the problem of evil the relationship of Christianity to other religions and to science and the role of women in church and society Among the strengths of this book is that it addresses these multiple features of Christianity in a single volume it is aptly titled *Christianity A Brief Survey* **Tragedy, Tradition, Transformism** D. Stephen Long, 2007-07-01 In his original interpretation and critique of Paul Ramsey's ethical thought D Stephen Long traces the development of one of the mid twentieth century's most important and controversial religious social thinkers Long examines Ramsey's early liberal idealism as well as later influences on his work including the just war doctrine Reinhold Niebuhr's realism H Richard Niebuhr's historical relativism Karl Barth's neo orthodoxy and Jacques Maritain's integralism Long overcomes obstacles confronting any Ramsey scholar such as a theology that cannot be systematized and the complexities of Ramsey's own writing and lends sharp insight to the philosophical theological and moral issues we face today Scholars of religious ethics and intellectual thought will find this work to be essential reading **Christian Ethics, Volume 1** Karl-Heinz Peschke, 2012-08-21 This recent edition of *Christian Ethics Volume I* is a thoroughly revised and updated version of fundamental moral theology As in the previous editions the author makes himself an interpreter of the demands of Vatican Council II and its request that moral theology be rooted more fully in Holy Scripture At the same time account is taken of the new developments in the field of ethics New issues of actual concern are taken up such as the deontological and teleological conditions of moral norms the confrontation between conscience and civil or ecclesiastical law the communal roots of Christian identity the requirement of liberty and the ethical compromise The book addresses itself to all who are interested in the moral teaching of the Christian faith and endeavors to be a helpful instrument to this end **The Fundamental**

Principles of Christian Ethics Jas Joseph Conway Sj, Joseph Conway, Brother Hermenegild, 2013-02-27 Let us consider the definition of ethics Ethics Moral Philosophy or the Science of Natural Law all designations of the same study is that science of moral rectitude which is gathered from and based upon the principles of Natural Reason It is first of all justly denominated a science because it is a knowledge acquired from first principles It is in the second place properly termed the Science of Moral Rectitude and this for two reasons primarily because its material object as we say or subject matter is the moral constant the human act and because secondly its formal or specifying object is the ordination or correct adjustment of human activity to the attainment of man s final end or destiny Like every other department of philosophy it is of course occupied with the pursuit of truth But differently from other philosophical studies its special aim is practical not speculative truth that is it seeks to establish and codify the true principles upon which human conduct should be invariably formed and regulated It is finally a science based upon principles of Natural Reason to distinguish it in the first instance from Moral Theology For Moral Theology also deals like Moral Philosophy with the right adjustment of human actions to man s final end but differently from Ethics it deals with this adjustment upon the principles of revealed religion and ecclesiastical legislation rather than upon principles of merely Natural Reason Ethics is for this reason distinguished in the second place from every form of modern moral empiricism These theories of moral science are built exclusively upon the laws customs traditions and social features of nations peoples tribes families and not accordingly upon reason and the created nature of things Finally the Science of Ethics is based upon Natural Reason to distinguish it from the moral conclusions gathered from any feature of exaggerated Rationalism such as the Moral Purism of Kant the Pessimism of Hartmann and Schopenhauer the Moral Aestheticism of Herbart and the Cesarism and Moral Pantheism of the Hegelian School of Ethical Science And let us summarize Ethics thus defined as the Science of Moral Rectitude upon principles of Natural Reason is divided primarily into General Ethics and Special Ethics We continue on into the Ethical Standard This is followed by a consideration of the Natural Law which is written on our hearts Then the Tribunal of Conscience is considered Father Conway closes with a lecture on the Rights of Man
