Public Instruction**

Citizenship Grade 4:

Course in American Citizenship in the Grades for the Public Schools of Iowa Iowa. Department of Public Instruction,1921

Citizenship Education and Lifelong Learning Michael Williams,Graham Humphrys,2003 Across the globe citizenship education is high on the reform agendas of policy makers and educators The collapse of the Soviet Union and the entry of former Soviet bloc states into the European Union the fragmentation of the former Yugoslavia the major population movements from poor to rich countries and the increased threats of international terrorism and civil wars in many states have all added to the need to provide up dated and reflective approaches to citizenship education Within nation states the impact of globalisation on social economic and political structures has caused power shifts across and within international borders demanding greater citizenship awareness and participation The effect of these changes and the practice and needs of citizenship are profoundly affected by the distinctive particulars of the places in which they occur This is an essential ingredient in any understanding of what is happening and of any program addressing the resulting citizenship challenges Too often citizenship education has been perceived simply as a matter for schools In this book the discussion is extended to embrace post school education It is acknowledged that the educa
