**Civil War Sailor** Irving Werstein,1962 Billy Harper steals on board the Union Navy s Monitor and joins the famous battle with the Confederate Merrimack Civil War Sailor Ralph Riffenburgh,2015-10-27 A fictional tale from the US Civil War that follows the lives of Thomas and Arvid Somerset **Faces of the Civil War Navies** Ronald S. Coddington,2016-10-30 Explore the human side of the Civil War through archival images and biographical sketches of Confederate and Union sailors During the American Civil War more than one hundred thousand men fought on ships at sea or on one of America s great inland rivers There were no large scale fleet engagements yet the navies particularly the Union Navy did much to define the character of the war and affect its length The first hostile shots roared from rebel artillery at Charleston Harbor Along the Mississippi River and other inland waterways across the South Union gunboats were often the first to arrive in deadly enemy territory In the Gulf of Mexico and along the Atlantic seaboard blockaders in blue floated within earshot of gray garrisons that guarded vital ports And on the open seas rebel raiders wreaked havoc on civilian shipping In *Faces of the Civil War Navies* Civil War photograph collector Ronald S Coddington focuses his skills on the Union and Confederate navies Using identifiable cartes de visite of common sailors on both sides of the war many of them never before published Coddington uncovers the personal histories of each individual These unique narratives are drawn from military and pension records letters diaries period newspapers and other primary sources In addition to presenting the personal stories of seventy seven intrepid volunteers Coddington also focuses on the momentous naval events that ushered in an era of ironclad ships and other technical innovations Taken collectively these snapshots show that the history of war is not merely a chronicle of campaigns won and lost it is the collective personal odysseys of thousands of individual men The Alabama & the Kearsarge William Marvel,1996 On June 19 1864 the Confederate cruiser Alabama and the USS Kearsarge faced off in the English Channel outside the French port of Cherbourg The Kearsarge had seen little action and its men greeted the battle with enthusiasm The Alabama on the other hand had limped into the harbor with a near mutinous crew after spending months sinking Union ships all over the globe Commander Raphael Semmes intended to put the ship into drydock for a few months but then the Kearsarge steamed onto the scene setting the stage for battle About an hour after the Alabama fired the first shot it began to sink and its crew was forced to wave the white flag of surrender Marvel consulted the original muster rolls and logbooks for both ships the virtually unknown letters of Confederate paymaster Clarence Yonge and census and pension information The letters and diaries of officers and crewmen describe the tensions aboard the ships as do excerpts from the little used original logs of Alabama commander Raphael Semmes French sources also help to illuminate the details of the battle between the two ships Marvel challenges the accuracy of key memoirs on which most previous histories of the Alabama have been based and in so doing corrects a number of long standing misinterpretations including the myth that the English builders of the Alabama did not know what Confederate officials intended to do with the vessel Marvel s

greatest contribution is his compelling description of the everyday life of the men on board the ships from the Liverpool urchins who served as cabin boys on the Alabama to the senior officers on both of the warships Union Jacks Michael J. Bennett,2004 Historians have given a great deal of attention to the lives and experiences of Civil War soldiers but surprisingly little is known about navy sailors who participated in the conflict Michael J Bennett remedies the longstanding neglect of Civil War sea *Diary of a Contraband* William Benjamin Gould,2002 The heart of this book is the remarkable Civil War diary of the author s great grandfather William Benjamin Gould an escaped slave who served in the United States Navy from 1862 until the end of the war The diary vividly records Gould s activity as part of the North Atlantic Blockading Squadron off the coast of North Carolina and Virginia his visits to New York and Boston the pursuit to Nova Scotia of a hijacked Confederate cruiser and service in European waters pursuing Confederate ships constructed in Great Britain and France Gould s diary is one of only three known diaries of African American sailors in the Civil War It is distinguished not only by its details and eloquent tone often deliberately understated and sardonic but also by its reflections on war on race on race relations in the Navy and on what African Americans might expect after the war The book includes introductory chapters that establish the context of the diary narrative an annotated version of the diary a brief account of Gould s life in Massachusetts after the war and William B Gould IV s thoughts about the legacy of his great grandfather and his own journey of discovery in learning about this remarkable man *The Alabama and the Kearsarge* William Marvel,2007 **August Sebelin's Civil War** Ronald R. Bishop,2002 **Double Duty in the Civil War** George S Burkhardt,2009-06-10 In 1861 at the age of eighteen Edward Woolsey Bacon a Yale student and son of well known abolitionist minister Leonard Bacon left his home in New Haven Connecticut to fight for the United States Over the next four years Bacon served in both the Union navy and army which gave him a sweeping view of the Civil War His postings included being a captain s clerk on the USS Iroquois a hospital clerk in his hometown a captain in the 29th Connecticut Infantry Colored and a major in the 117th U S Colored Infantry and he described these experiences in vibrant letters to his friends and family Historian George S Burkhardt has compiled these letters as well as Bacon s diary in the impressive *Double Duty in the Civil War The Letters of Sailor and Soldier Edward W Bacon* Bacon tells of hunting Confederate commerce raiders on the high seas enduring the tedium of blockade duty and taking part in riverine warfare on the Mississippi He recalls sweating in South Carolina as an infantry officer during drill and picket duty suffering constant danger in the battlefield trenches of Virginia marching victoriously on fallen Richmond and tolerating the boredom of occupation duty in Texas His highly entertaining letters shed new light on naval affairs and reveal a close knit family life The narrative of his duty with black troops is especially valuable since few first hand accounts from white officers of the U S Colored Troops exist Furthermore his beliefs about race slavery and the Union cause were unconventional for the time and stand in contrast to those held by many of his contemporaries *Double Duty in the Civil War* is filled with lively descriptions of the men Bacon met and the events he experienced With Burkhardt s careful

editing and useful annotations Bacon's letters and diary excerpts give rare insight into areas of the Civil War that have been neglected because of a lack of available sources Given the scarcity of eyewitness testimonies to navy life and life in African American regiments this book is a rarity indeed *Laws Relating to Soldiers, Sailors and Marines* Michigan, 1924 [I Held Lincoln](#) Richard E. Quest, 2018-05 Lt Benjamin Loring 1824-1902 lived the life of an everyman Civil War sailor He commanded no armies and devised no grand strategies Loring was a sailor who just wanted to return home where the biggest story of his life awaited him Covering almost a year of Loring's service *I Held Lincoln* describes the lieutenant's command of the gunboat USS Wave the Battle of Calcasieu Pass the surrender of his ship and his capture by the Confederates He was incarcerated in Camp Groce a deadly Confederate prison where he endured horrific conditions and abuse Loring attempted to escape evading capture for ten days behind enemy lines only to be recaptured just a few miles from freedom After an arduous second escape he finally reached the safety of Union lines and gained his freedom On the night of April 14 1865 Loring attended Ford's Theater and witnessed one of the single most tragic events in American history the assassination of President Abraham Lincoln After the shot rang out Loring climbed into the presidential box and assisted the dying president helping to carry him across the street to the Peterson House Using Loring's recently discovered private journal Richard E Quest tells this astonishing now recovered story giving insight into a little known Confederate prison camp during the last days of the Civil War and providing much deserved recognition to a man whose journey was nearly lost to American history *Civil War Flags of Tennessee* Stephen Douglas Cox, 2024-01-12 *Civil War Flags of Tennessee* provides information on all known Confederate and Union flags of the state and showcases the Civil War flag collection of the Tennessee State Museum This volume is organized into three parts Part 1 includes interpretive essays by scholars such as Greg Biggs Robert B Bradley Howard Michael Madaus and Fonda Ghiardi Thomsen that address how flags were used in the Civil War their general history their makers and preservation issues among other themes Part 2 is a catalogue of Tennessee Confederate flags Part 3 is a catalogue of Tennessee Union flags The catalogues present a collection of some 200 identified extant Civil War flags and another 300 flags that are known through secondary and archival sources all of which are exhaustively documented Appendices follow the two catalogue sections and include detailed information on several Confederate and Union flags associated with the states of Mississippi North Carolina and Indiana that are also contained in the Tennessee State Museum collection Complete with nearly 300 color illustrations and meticulous notes on textiles and preservation efforts this volume is much more than an encyclopedic log of Tennessee related Civil War flags Stephen Cox and his team also weave the history behind the flags throughout the catalogues including the stories of the women who stitched them the regiments that bore them and the soldiers and bearers who served under them and carried them *Civil War Flags of Tennessee* is an eloquent hybrid between guidebook and chronicle and the scholar the Civil War enthusiast and the general reader will all enjoy what can be found in its pages Unprecedented in its variety and depth Cox's work fills an important

historiographical void within the greater context of the American Civil War This text demonstrates the importance of Tennessee state heritage and the value of public history reminding readers that each generation has the honor and responsibility of learning from and preserving the history that has shaped us all and in doing so honoring the lives of the soldiers and civilians who sacrificed and persevered
