Agents of Influence Henry Hemming, 2019-10-08 The astonishing story of the British spies who set out to draw America into World War II As World War II raged into its second year Britain sought a powerful ally to join its cause but the American public was sharply divided on the subject Canadian born MI6 officer William Stephenson with his knowledge and influence in North America was chosen to change their minds by any means necessary In this extraordinary tale of foreign influence on American shores Henry Hemming shows how Stephenson came to New York hiring Canadian staffers to keep his operations secret and flooded the American market with propaganda supporting Franklin Roosevelt and decrying Nazism His chief opponent was Charles Lindbergh an insurgent populist who campaigned under the slogan America First and had no interest in the war This set up a shadow duel between Lindbergh and Stephenson each trying to turn public opinion his way with the lives of millions potentially on the line

Agents of Influence Mark Hollingsworth, 2023-04-13 There's no such thing as a former KGB man A gripping story filled with remarkable revelations Tom Bower author of Revenge Agents of Influence reveals the secret history of an intelligence agency gone out of control accountable to no one but itself and intent on subverting Western politics on a near inconceivable scale In 1985 1 300 KGB officers were stationed in the USA The FBI only had 350 counter intelligence officers Since the early days of the Cold War the KGB seduced parliamentarians and diplomats infiltrated the highest echelons of the Civil Service and planted fake news in papers across the world More disturbingly it never stopped Putin is a KGB man through and through Journalist Mark Hollingsworth reveals how disinformation kompromat and secret surveillance continue to play key roles in Russia's war with Ukraine It seems

frighteningly easy to destabilise Western democracy Agent of Influence Marian Horton,2003-04-08 Jonathan Schmidt and Alex Carmichael through the Schmidt Foundation conduct studies on evolutionary politics In examining the issue of a rising Hispanic community they stumble on evidence that Carl Peters the senior aide of Democratic vice presidential nominee Paul Montenegro may be a Russian imposter Unwilling to disrupt the election they initiate their own investigation After reviewing Peters personnel files Alex begins a far flung search into his background and becomes convinced the man is an illegal agent of long standing Alex and his colleague Nicole Granville follow various leads that steadily confirm their suspicions Having decided Montenegro is not suspect and that the agenda of the agent is to establish soviet sympathizers in government positions that would enable them to influence policy they decide not to inform the FBI until after the election The Bureau chooses to continue the surveillance allowing Peters to unwittingly pinpoint potential subversives Confident their plans are well designed all parties involved in the undercover investigation are grievously stunned on Inauguration Day as they witness a deed of supreme perfidy an indelible image that burdens them with a deep sense of guilt and fear that in opting for containment they could be held accountable for the unimagined consequences *An Agent of Influence* Richard Cox,1988
