Words on Cassette, 2002 R R Bowker Publishing,2002 The Jan & Dean Record Mark A. Moore,2016-03-03 Jan Dean were among the most successful artists of the late 1950s through the mid 1960s with hits including Baby Talk Surf City Dead Man s Curve and The Little Old Lady From Pasadena Slapstick humor and offbeat personas were a big part of their shtick but Jan Berry was serious when it came to the studio This book chronicles Jan s career as a songwriter and arranger and his tenure as producer for Jan Dean and other acts with day by day entries detailing recording sessions single and album releases concerts and appearances film and television projects behind the scenes business and legal matters chart positions and more Extensive commentary from Berry s family friends and colleagues is included Studio invoices contract details tape box notes copyright information and other particulars shed light on how music was made in the Hollywood studio system of the 1960s Strip City Lily Burana,2001-09-19 The ultimate road trip a daring and disarmingly honest odyssey across

America with an ex stripper who dusts off her dancing shoes for a farewell tour Lily Burana had been working as a journalist for five years when on a cross country assignment she meets a cowboy in Cheyenne Wyoming They fall in love quickly and in short order he proposes to her Her cowboy doesn t flinch when she tells him about her past but as the reality of the engagement sets in Burana realizes that she can t settle down until she comes to terms with the business of stripping the controversial but exhilarating crucible in which she came of age She packs up a hairpiece hairspray Lucite platforms garters neon thongs and body glitter and enrolls in a stripping academy to perfect her routine Zigzagging across America from the topflight gentlemen s clubs of Dallas to the blue collar go go bars of New Jersey from Anchorage to Tijuana Las Vegas to Los Angeles she even competes in the Miss Topless Wyoming competition Along the way she seeks out a host of colorful women who share with her the unwritten history of striptease an over looked and under recorded American art form And what she discovers about the business about the culture of strip clubs and about herself is truly remarkable While on the road she recalls her start in the peep shows of Times Square and her groundbreaking legal battle for strippers rights waged against one of the most notorious strip club owners in the country With the benefit of her independence and experience she s shocked to learn how much yet how little the world of striptease has changed Insightful and reflective Burana describes the clubs and bars the patrons and other dancers in striking detail and takes us into the nitty gritty of a dancer s life bringing to light the variety of techniques and tricks of the trade Burana writes with immediacy and candor hard won wisdom and hard bitten humor a novelist s voice and a journalist s eye Strip City is a shrewd take free of illusion on the darker seamier side of America She effortlessly conveys the atmosphere of a seedy strip joint the exhilaration of a dancer on stage when she gets into her zone and ultimately the complex emotional repercussions that arise when a woman takes off her clothes for money
