

CIVIC DUTY

Civic duty is the responsibilities, obligations, or tasks that each citizen owes to their nation or society, typically implied by the social contract between a government and its citizens.

OVERVIEW

Civic duty involves engaging in activities that contribute to the common good, such as voting in elections, serving on juries, and participating in community initiatives. Fulfilling one's civic duty fosters a sense of civic pride and helps create a society where everyone has an opportunity to thrive and participate in decision-making processes.

EXAMPLES

- **Voting in elections:** This civic duty involves actively participating in the democratic process by casting a vote to elect representatives who will make decisions on behalf of the community or nation.
- **Jury duty:** This civic duty entails serving on a jury when called upon, to participate in the legal system and help ensure fair and impartial justice for all.
