

when the Gen. said it was not
best to charge the fort for
we should get hit the blocks
we then had orders to return
back we had 9 more wounded
and other things lost more
we marched all night for
the report was that there was
thousand Rebels in our rear
April 11th at half dawn we started
our line of march for Winchester
the landing distance of 10 miles
we arrived there at 12 o'clock
and waited till 3 o'clock when
we took the steamer for Winchester
there was 3 hundred men to
the Hospital the next morning
April 12th the 43rd Regt and the 1st
Regt the blocks between Winchester
and Little Washington down the

bar River to Newmarket Gen
Foster
April 13th Gen Foster then the
blocks into Winchester the was
so short but through the
Whisper about 1000 Gen Foster
had a near shot
April 14th orders came to pro-
ceed day forward and to head,
to march at 12 o'clock we went
up to Winchester and took the
steamer across the Blue River
and marched 5 miles from
the Landing when we proceeded
for the night
April 15th we took the same
old road and marched to
Calouse Mills where we had
the Battle a short time before
and then we proceeded

Civil War Journal:

Civil War Journal: The Battles Thomas Nelson, 1997-12-30 Of more than one thousand battles fought during the war William C Davis notes a few have risen to lasting fascination and prominence some even regarded as turning points The battles included in this book are those that caused the greatest casualties produced the greatest feats of heroism and won or lost major campaigns They decided the course of the war in the East and the West set the standard for valor and sacrifice defined who the American soldier was to be in this war and in the future and established the American military tradition This volume presents accounts of five Confederate victories Fort Sumter First Manassas Fredericksburg Chickamauga and Franklin five Union victories New Orleans Gettysburg Vicksburg Chattanooga and Nashville and three stalemates Monitor v Virginia Antietam and Charleston Also included are chapters on soldier life the steadfast Iron Brigade and the first volunteer African American combat troops recruited in the North the Fifty fourth Massachusetts Infantry From the first shot in Charleston Harbor to the one day decimation of the Southern army on the outskirts of Nashville these pages are colored with the wide range of expectation and disappointment that frustrated the country during four years of war [Civil War Journal \[Volume 2\] the Battles](#) William C. Davis, Brian C. Pohanka, Don Troiani, 1997 **A Civil War Journal** Emma Wood Richardson, Gloria Mitchell Lee, Historic Hopewell Foundation (Hopewell, Va.), 2001 **For Country, Cause & Leader** Stephen W. Sears, 2016-11-15 Now published for the first time an eyewitness account of the Civil War by a Union soldier who fought from Bull Run to Knoxville This remarkable book presents the transcription of some twenty pocket diaries kept throughout the first three years of the Civil War by Charles B Haydon and sent back one by one to his home in Decatur Michigan to be read by his father and brother As readable as they are lively and informative they offer a marvelous firsthand view of the war and constitute an important addition to our Civil War library Haydon began as a third sergeant and ended as a lieutenant colonel In the East he witnessed the rush to the colors the first Bull Run the building of the Army of the Potomac the Peninsula campaign and the fighting at second Bull Run and Fredericksburg Early in 1863 his regiment was transferred to the western theater where it served in Kentucky and under Grant at Vicksburg Haydon was severely wounded in Mississippi During the winter of 1863-64 he was in Tennessee and engaged in the campaigning around Knoxville In March 1864 ironically on his way home on furlough Haydon contracted pneumonia and died Charles Haydon had considerably more education than the average soldier and his engaging journal reflects the fact Publishers Weekly A good half dozen years older than most of his fellow recruits he had studied for four years at the University of Michigan read law and was in practice when he volunteered His journal which was meant to be read was a deliberate and conscientious attempt to record his experiences and thoughts of the war **Blood & Sacrifice** William Pitt Chambers, 1994 Between March 1862 and May 1865 Mississippian William Pitt Chambers kept a journal of his infantry service during the War Between the States Having been a school teacher for several years prior to enlistment he was blessed with writing ability not typical of the majority of his

Southern comrades and used this talent to record observations and experiences while fighting in the ranks of two different Confederate armies Belonging to Company B 46th Mississippi Volunteer Infantry Chambers served more than two years as a sergeant as well as sergeant major and acting adjutant of his regiment Physical and spiritual strength derived from deep religious convictions and belief in the Confederacy's ideals helped him through many trying ordeals especially in dealing with the battlefield deaths of friends and his own wounding in the battle of Allatoona Ga on October 5 1864 While his account provides an open window to the hopes dreams and fears of one Confederate enlisted man it also chronicles nearly the entire history of his company and regiment through three years of daily life in camp on the march and in battles fought in Mississippi Georgia and Alabama Inside jacket flap *Brady's Civil War Journal* Theodore P. Savas,2008 My greatest aim has been to advance the art of photography and to make it what I think I have a great and truthful medium of history Mathew Brady Mathew Brady and his team of assistants risked their lives to capture up close images of the fury of the American Civil War and its aftermath Brady actually got so close to the action during the First Battle of Bull Run that he only narrowly avoided capture Brady's Civil War Journal chronicles the events of the war by showcasing a selection of Brady's moving one of a kind images and describing each in terms of its significance Brady's team not only captured thousands of portraits of the combatants the generals the fighting men the sick the dead and the dying but also documented the infrastructure of the war machine itself recording images of artillery pieces the early railroads and extraordinary engineering feats The text by Theodore P Savas an expert on the Civil War adds context to Brady's memorable photographs creating an unrivaled visual account of the most costly conflict in American history as it unfolded His unique record of the war gives modern readers a fascinating insight into the terrible maelstrom that shaped our nation **Civil War Journal** William C. Davis,Brian C. Pohanka,Don Troiani,1998-12-30 Based on the History Channel documentary series How the Civil War sparked profound changes in slavery immigration women's roles journalism and more In many arenas the Civil War changed things both in military and civilian life William C Davis observes The roles in society of women and minorities were altered drastically Advancements in medicine and technology exerted a profound impact on the future Industry burgeoned The reporting of news entered the modern era with the photograph Culture changed as the complexion of Americans evolved and as war's wounds imposed lasting divisions upon our society It ensured at once that future wars would be more terrible and yet we would be equipped to cope with that terror to come These are the legacies of the war covered in this volume *Civil War Journal The Legacies* is the third volume of a three volume treatment of the Civil War developed from the popular History Channel series *Civil War Journal* Drawing on personal letters diaries and newspaper reports these volumes focus on seldom told stories of people places and events that bring to life the heroic intensity of the Civil War They portray the human side of the conflict that is frequently overlooked in recounting troop movements and engagements *Civil War Journal of a Union Soldier* P. C. Zick,Harmon Camburn,2013-10 Here is a personal account of the Civil War when young men were forced to kill

their own countrymen Harmon Camburn signed up for duty as a Union soldier two weeks after the first shots were fired in the Civil War He served for the next three years fighting in both Battles of Bull Run and other skirmishes of the War Between the States His tour of duty ended with a shot through his lung and capture by Confederate soldiers Fortunately he survived his wounds and wrote about his time in the Union army His great granddaughter Patricia Camburn P C Zick presents this journal along with additional annotations about the war in general The journal weaves a tragic and compelling tapestry of war from the view at its center Mr Camburn s sardonic and realistic view of war is worth remembering From the day of his enlistment in the Army in April 1861 in Adrian Michigan to his final days in the service of the army near Knoxville Tennessee the journal provides insight into the minutiae of a soldier s life from what they ate to the somewhat unorthodox method of obtaining food It shows the horror of the battlefield to the joys of simply having the sun shine after days of rain The descriptions of the landscape are beautifully crafted just as the scattered bodies on the battlefield are ghastly reminders of the cost of war

Kate Cumming's Civil War Journal (Abridged, Annotated) Kate Cumming,2016-11-16 Kate Cumming has become an iconic minor figure of the American Civil War Her book has been excerpted many times in other works and even in the PBS documentary Abraham and Mary Lincoln A House Divided Her extraordinary journal of her time as a nurse in Confederate hospitals is important for illuminating the history of medicine of Civil War nurses and as an example of the writing of an educated southern woman caught up in the catastrophic effects of war Kate was highly religious poetic compassionate amusing embittered by the war blamed Abraham Lincoln for all that befell the south and was blind to the realities of African American life Yet her record captures the reader and it is difficult to dislike her Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever

Torn by War Mary Adelia Byers,2013-10-08 The Civil War divided the nation communities and families The town of Batesville Arkansas found itself occupied three times by the Union army This compelling book gives a unique perspective on the war s western edge through the diary of Mary Adelia Byers 1847 1918 who began recording her thoughts and observations during the Union occupation of Batesville in 1862 Only fifteen when she starts her diary Mary is beyond her years in maturity as revealed by her acute observations of the world

around her At the same time she appears very much a child of her era Having lost her father at a young age she and her family depend on the financial support of her Uncle William a slaveowner and Confederate sympathizer Through Mary s eyes we are given surprising insights into local society during a national crisis On the one hand we see her flirting with Confederate soldiers in the Batesville town square and on the other facing the grim reality of war by setting up through the night with dying soldiers Her journal ends in March 1865 shortly before the war comes to a close Torn by War reveals the conflicts faced by an agricultural social elite economically dependent on slavery but situated on the fringes of the conflict between North and South On a more personal level it also shows how resilient and perceptive young people can be during times of crisis Enhanced by extensive photographs maps and informative annotation the volume is a valuable contribution to the growing body of literature on civilian life during the Civil War *Yankee Rebel* John G. Barrett,2017-10-10 This volume makes available a fascinating narrative and a document of singular importance to the study of the Civil War It provides a clear and realistic account of the author s reaction to combat and prison life on Johnson s Island in Lake Erie Originally published 1966 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

The Civil War Journals Of Colonel Bolton Richard A. Sauers,2000-11-22 William J Bolton s Civil War journal is especially valuable since he served throughout most of the Civil War steadily rising through the ranks from captain to colonel with the 51st Pennsylvania Bolton s commander throughout most of the war was John F Hartranft an influential figure who later became governor of Pennsylvania William J Bolton was lucky to have his brother John serving in the same unit so he could draw on his recollections for the two periods when he himself was out of action due to wounds The 51st Pennsylvania was largely drawn from Norristown Pennsylvania a prosperous county seat The 51st served throughout the war in the IX Corps under Ambrose Burnside and thus was involved in a wide variety of actions in North Carolina Virginia Maryland Tennessee and Mississippi Bolton was wounded twice during the war at Antietam and Petersburg and experienced all levels of command and virtually every type of combat and campaign situation Bolton reworked his Civil War journal some time after the war drawing on the Official Records and other sources to supplement his own experiences Dr Richard Sauer is extremely knowledgeable about Civil War sources and clearly indicates where Bolton drew on other sources or where his recollections or information were in error in this carefully edited work Civil War Journal: The leaders William C. Davis,Brian C. Pohanka,Don Troiani,1997 Stories of Civil War leaders Civil War Journal & Correspondence Matthias Baldwin Colton,Mrs D. L. C. Hazard,1931
