**The Greatest Generals of the Civil War** Charles River Editors, 2025-05-04 With the exception of George Washington perhaps the most famous general in American history is Robert E Lee January 19 1807 October 12 1870 despite the fact he led the Confederate Army of Northern Virginia against the Union in the Civil War As the son of U S Revolutionary War hero Henry Light Horse Harry Lee III and a relative of Martha Custis Washington Lee was imbued with a strong sense of honor and duty from the beginning And as a top graduate of West Point Lee had distinguished himself so well before the Civil War that President Lincoln asked him to command the entire Union Army Lee famously declined serving his home state of Virginia instead after it seceded Thomas Jonathan Jackson is one of the most famous generals of the Civil War but many of the people he continues to fascinate probably don t remember his whole name That s because Jackson earned his famous Stonewall moniker at the First Battle of Manassas or Bull Run when Brigadier General Bee told his brigade to rally behind Jackson whose men were standing like a stone wall Ironically it s still unclear whether that was a compliment for standing strong or an insult for not moving his brigade but the nickname stuck for the brigade and the general itself In the 19th century one of the surest ways to rise to prominence in American society was to be a war hero like Andrew Jackson and William Henry Harrison But few would have predicted such a destiny for Hiram Ulysses Grant who had been a career soldier with little experience in combat and a failed businessman when the Civil War broke out in 1861 However while all eyes were fixed on the Eastern theater at places like Manassas Richmond the Shenandoah Valley and Antietam Grant went about a steady rise up the ranks through a series of successes in the West His victory at Fort

Donelson in which his terms to the doomed Confederate garrison earned him the nickname Unconditional Surrender Grant could be considered the first major Union victory of the war and Grant's fame and rank only grew after that at battlefields like Shiloh and Vicksburg William Tecumseh Sherman February 8 1820 February 14 1891 holds a unique position in American history Synonymous with barbarity in the South Sherman is lauded as a war hero in the North and modern historians consider him the harbinger of total war As a General in the Union Army during the American Civil War 1861-65 Sherman was recognized for his outstanding command of military strategy but criticized for the harshness of the scorched earth policies that he implemented in conducting total war against the Confederate States especially in 1864 and 1865 Military historian B H Liddell Hart famously declared that Sherman was the first modern general
