Bible And Sword:

Bible and Sword Barbara W. Tuchman, 2011-07-13 From Barbara W Tuchman Pulitzer Prize winning author of *The Guns of August* comes history through a wide angle lens a fascinating chronicle of Britain's long relationship with Palestine and the Middle East from the ancient world to the twentieth century Historically the British were drawn to the Holy Land for two major reasons first to translate the Bible into English and later to control the road to India and access to the oil of the Middle East With the lucidity and vividness that characterize all her work Barbara W Tuchman follows these twin spiritual and imperial motives the Bible and the sword to their seemingly inevitable endpoint when Britain conquered Palestine at the conclusion of World War I At that moment in a gesture of significance and solemnity the Balfour Declaration of 1917 established a British sponsored mandate for a national home for the Jewish people Throughout this characteristically vivid account Tuchman demonstrates that the seeds of conflict were planted in the Middle East long before the official founding of the modern state of Israel Praise for Bible and Sword Tuchman is a wise and witty writer a shrewd observer with a lively command of high drama *The Philadelphia Inquirer* In her m tier as a narrative popular historical writer Barbara Tuchman is supreme *Chicago Sun Times* [Bible and Sword](#) Barbara Wertheim Tuchman, 1982 In *Bible and Sword* Barbara Tuchman provides a stirring account of the religious cultural and political motives which led to the British conquest of the Holy Land in 1917 and to the Balfour Declaration **Bible and Sword** Barbara Wertheim Tuchman, 1984 With the lucidity and vividness that characterize all her work two time Pulitzer Prize winning historian Barbara Tuchman explores the complex relationship of Britain to Palestine that led to the founding of the modern Jewish state and to many of the problems that plague the Middle East today http://www.loc.gov/catdir/description/random042_83091154.html [Bible and Sword](#) Barbara Wertheim Tuchman, 1956 **The Bible in the World**, 1911 [The Systematic Bible teacher](#), 1875 *The book of the Bishop's castle and handbook of the archæological collection* Glasgow bishop's castle, 1888 *Illustrated Catalogue* Lapp and Flershem, Chicago, 1896 **Inductive Bible Study Method for Lay Leaders** WILLIAM ROGER, [The Bible dictionary](#), 1875 **The Chautauquan**, 1893 **Sword Bible-OE-Easy Read** Kingsword Press/Gem, 2010-08-01 Burgundy Genuine index 978 1 936428 02 1 **God Speaks to Us, Too** Susan M. Shaw, 2014-10-17 Raised as a Southern Baptist in Rome Georgia Susan M Shaw earned graduate degrees from the Southern Baptist Theological Seminary in Louisville Kentucky was ordained a Southern Baptist minister and prepared herself to lead a life of leadership and service among Southern Baptists However dramatic changes in both the makeup and the message of the Southern Baptist Convention during the 1980s and 1990s a period known among Southern Baptists as the Controversy caused Shaw and many other Southern Baptists especially women to reconsider their allegiances In *God Speaks to Us Too* Southern Baptist Women on Church Home and Society Shaw presents her own experiences as well as those of over 150 other current and former Southern Baptist women in order to examine the role identity and culture of women in the largest Protestant denomination in the country The Southern

Baptist Convention was established in the United States in 1845 after a schism between Northern and Southern brethren over the question of slavery Shaw sketches the history of the Southern Baptist faith from its formation through its dramatic expansion following World War II to the Controversy and its aftermath The Controversy began as a successful attempt by fundamentalists within the denomination to pack the leadership and membership of the Southern Baptist Convention the denomination s guiding body with conservative and fundamentalist believers Although no official strictures prohibit a Southern Baptist woman from occupying the primary leadership role within her congregation or her own family rhetoric emanating from the Southern Baptist Convention during the Controversy strongly discouraged such roles for its women and church leadership remains overwhelmingly male as a result Despite the vast difference between the denomination s radical beginnings and its current position among the most conservative American denominations freedom of conscience is still prized Shaw identifies soul competency or the notion of a free soul that is responsible for its own decisions as the principle by which many Southern Baptist women reconcile their personal attitudes with conservative doctrine These women are often perceived from without as submissive secondary citizens but they are actually powerful actors within their families and churches God Speaks to Us Too reveals that Southern Baptist women understand themselves as agents of their own lives even though they locate their faith within the framework of a highly patriarchal institution Shaw presents these women through their own words and concludes that they believe strongly in their ability to discern the voice of God for themselves
