Hamblin,2010-06 Since being written the end time prophecies of the Bible have been shrouded in mystery Our world is now inundated with book after book on the subject of end time interpretation Often the most important aspects of the Bible s prophecies are twisted or changed to fit the needs of a Hollywood movie Expertly sifting through the modern fog covering these important prophecies David Hamblin takes an exhaustive yet thoroughly readable approach to the study of the end times Using the proven techniques of the

scientific method David put together a system of prophecy analysis that would allow for extremely complex theories to be tested against the many and varying passages of end times prophecy Beginning with a solid faith in the Bible as the infallible Word of God he now presents his findings in God s Prophetic Timeline Never before has there been such a clear and concise presentation of God s timeline for the future along with many passages that David admits we cannot yet understand Written for the minister and layperson alike it begins by explaining the church age and progresses through each of Revelation s seven phases ending with new heaven and new earth His approach details even subtle prophetic material including Israel s future wealth the world war it triggers and Jesus coronation Don t be puzzled any longer by confusion on the subject of prophecy Leave behind the many contradictory theories propagated by the misinformed Follow along as God s Prophetic Timeline shows you in detail the tested validated and unified understanding of the Bible s prophecies *Welcome to the Family* Stephen R. Lawhead,1982 Becoming a Christian is more than joining a club or subscribing to an idealistic lifestyle In many ways becoming a Christian is like being adopted Suddenly we have a new father a new home a new family a new identity Any one of those changes can overwhelm a person but taken all together they are mind boggling Many new Christians never fully understand what has happened to them until much later in life And that s too bad because the more fully we grasp the significance of what it means to be a Christian the more immediate our enjoyment of our incredible good fortune page 4 of cover
