Bible Code:

The Bible Code Michael Drosnin, 1997 Vol 2 has title Bible code II the countdown **Bible Code Bombshell** R. Edwin Sherman, 2005 Explosive evidence that Bible codes point to the life of Christ When Ed Sherman a mathematician with 30 years of experience and Nathan Jacobi an Israeli physicist set out to debunk claims that there were mysterious codes in the Hebrew Old Testament they could not have envisioned the startling conclusions they would reach As Dr Jacobi an agnostic Jew looked for lengthy Hebrew codes about Christ repeatedly he discovered compelling excerpts from the life of the man from Nazareth Time and again Dr Jacobi found that one or two word codes were actually part of much longer encoded sentences that echoed the Gospel accounts Moreover these encoded sentences were extensively embedded in two passages most widely regarded as prophecies of the crucifixion of Christ Isaiah 53 and Psalms 22 Bible Code Bombshell sets forth startling new evidence that code sequences in Scripture are irrefutable evidence of a Divine hand In this highly readable book Sherman offers both skeptics and believers a gold mine of information that will prompt much thinking about the origins of the Bible Unlike other Bible code books this unique book features codes that are phrases and sentences and not just one or two word codes The only code book by researchers that are internationally recognized mathematicians and statistical experts Responds directly and accurately to Bible code critics **Bible Code II** Michael Drosnin, 2003-10-28 The Bible code the ancient code encrypted in the Bible that may reveal our future was made known to the world by investigative reporter Michael Drosnin Now he reveals startling new predictions warning that we may have only three years to stop the countdown to Armageddon This dramatic account opens on the morning of September 11 2001 when Drosnin witnessed the attack on the World Trade Center and then found the terrible event predicted in detail in the 3 000 year old Bible code But according to the code September 11 was only the beginning The Bible code says we are already in the End of Days the Apocalypse foretold by all three major religions of the West Drosnin has traveled the globe to meet with world leaders to prevent the impending danger and to search for the Code Key a long buried ancient object that may completely unlock the Bible code just in time to save our world **Decoding the Bible Code** John Weldon, Clifford A. Wilson, Dr. Barbara Wilson, 1998 The authors of the blockbuster book The Bible Code claim that God inserted hidden prophetic messages within the original Hebrew letters of the Old Testament Their claims have been hailed by many as a new revelation from God But does The Bible Code hold up to scrutiny In this well researched response best selling authors John Weldon and Clifford Wilson explain the mechanics of the code in layman s terms examining its use and message The authors show how simple it is to manipulate words to create almost any message and how the core themes presented in The Bible Code are consistent with the teachings of most cults **Celebrities and Movie Stars Death Bible Code, Vol. 2 - Their Fatal Cancers** Steve Canada, 2014-04-29 Celebrities and movie stars like everyone else die from a variety of causes including diseases Vol 1 of this book and cancers Vol 2 of this book When we ask if such causes of death are found encoded in the Torah along with the encoded names of who

died from them we find them all close together in one Torah Matrix from Gen 1 1 to 1 Samuel 10 17 For those uninitiated into the Bible Code mystery this might sound outlandish and impossible but viewing the many Torah Matrices in this book labeled clearly in black and white as secretly encoded facts staring us in the face might give pause to even the biggest skeptic Volume 3 of this book will show the Torah Bible Code Matrices of celebrities and movie stars deaths by accidents murders overdoses and suicides their names found encoded in the Five Books of Moses some with the year and location of their death as another e book through Author House later in 2014 Thousands of similar results have been found by the author covering many sorts of historical events ranging from the names of victims of natural disasters e g Fukushima ships sinking e g Titanic planes and trains and cars crashing e g James Dean assassinations worldwide over 4000 years e g an Egyptian pharaoh JFK and John Lennon Nazi Holocaust mass shootings Aurora Columbine Tucson etc terror attacks Benghazi Boston Marathon Fort Hood 9 11 and war casualties e g Vietnam Gulf War Iraq Afghanistan Even though there are only about 50 or fewer personalities identified by name in each of these three volumes and shown encoded with how and where they died each Volume could be expanded to hold many thousands of names and pages one name per page of Matrix revealing those Torah held secrets hidden for about 3400 years and revealed here to the world for the first time in recorded history

The Holy Cipher: Who Changed God's Name? Norbert H. Kox, 2007-08-27 Norbert H Kox has researched the Bible in its original languages for more than 30 years and presents his startling findings here a Modern Christianity has been duped Without ever knowing it the Antichrist they are warning against has already infiltrated the Church a The Key of knowledge has been hidden and the names of God and Saviour gradually removed from common use without raising suspicion or inciting controversy The two most important names in the history of mankind have been all but obliterated from existence Where these names are still in tact they are being undermined by missionaries who believe they are doing a service to God This treatise is part of a documented research study into the historical linguistic changes in the names of God and Saviour from the oldest known manuscripts to the modern present day English versions of the Bible Along with solid historical and etymological evidence symmetrical Bible codes are presented as irrefutable ratification

The Bible Code Solved Tracy Yates,2017-12-05 In 1997 Michael Drosnin published *The Bible Code* This book demonstrated that amazing things from the past present and future are encoded within the Bible Every major event in world history every major figure in world history seems to be encoded in the Bible Michael Drosnin Despite intentional disinformation claiming to have debunked the Bible codes they are real and they are taken very seriously Ordinarily we would assume that the US Pentagon and anything having to do with the Bible would be far removed from one another But in 1994 statistical science a respected mathematical Journal published report number three volume 9 titled Equal distant letter sequences in the book of Genesis That report found its way to the Pentagon s national secret agency of cryptology And made it to the desk of Harold Gans a senior cryptographer for the Pentagon s national security agency Gans knew that equal letter Skip sequence was a code form widely used by governments and their agents The idea that they would occur in the book of Genesis was hard for him to believe He found it so difficult to believe that he wrote his own computer program based on his intimate knowledge of encryption techniques with the intent of disproving the results published by Statistical Science If the codes were simply a matter random chance then Gan s program would reveal this After testing the codes with this program Gans made the statement The probability that these codes could appear by accident is virtually nonexistent In the plain text the Bible tells us that God spoke our universe into existence The ancient Torah is the source code behind creation Recently they have discovered binary code at the quantum level Physicists James Gates claims to have actually found quantum bits of 1 s and 0 s The Bible Code has been solved The Torah is the source code that supports our reality Once the code is solved the keys to creation are revealed In *The Bible Code Solved* you will learn the finest details behind exactly how God created the universe I encourage everyone to be seated when they get to the conclusion of this book where you will be given a source that you can verify on your computer containing the most amazing proof of God that has ever been available to the public

The Bible Code Phil Stanton,1998 Using a mathematical code developed by a university professor secular reporter Michael Drosnin claims in his controversial bestseller *The Bible Code* that God s Word contains alarming hidden messages that have foretold international events and foretell the future But as Crossway author Phil Stanton explains in *The Bible Code Fact or Fake* there s more to Drosnin s work than simply whetting people s curiosity about God s Word The authority of the Bible itself is at stake

The Truth Behind the Bible Code Jeffrey Satinover,1997 *Bible Codes & Messages* William Schlegl,1989 **The Bible's Awesome Number Code!** Bonnie Gaunt,2000-07 Researcher

Bonnie Gaunt continues her search on Gematria and Bible codes In this book Gaunt makes a new discovery of the numeric patterns in the Gematria of the Bible and their relationship to the 3 4 5 triangle the earth moon and sun presents an exquisite display of evidence of the magnificent Author of Creation and His time line for the blessing of man Using the Number Code it is found that the parable of the Good Samaritan is in fact a time prophecy telling the time of Jesus return His miracles of healing and of turning water into wine have been encoded with evidence of the time and the work of the beginning of the great Third Day The Number Code takes us on a journey from Bethlehem to Golgotha and into the Kingdom of Jesus Christ the Kingdom of God and the building of the New Jerusalem

Statistics and Faith Jason Wilson, Jason Wilson, 2026-05-26

Bringing Integrity to the Stories Numbers Tell When we tell stories with numbers we depend on the field of statistics but how do we know that those stories are true Almost everything in life is connected to data and that data can help us make sense of truth in a world that feels increasingly challenging to navigate as Christians But in a world where we are told to do our own research it can be nearly impossible to know whether we re just gravitating toward stories that confirm our own untested biases or whether we re analyzing the data in a way that is illuminating truth Exploring a range of contemporary topics professor of statistics Jason Wilson shows both non experts and experts alike that statistics has something to say when it relates to the polarizing issues that we face today Exploring topics such as gambling Covid and media bias Wilson shows that the ways we collect organize analyze and interpret data have something to say in conversation with the Christian faith In *Statistics and Faith* you ll find examinations of contemporary issues using statistical concepts tools and theories case studies from history that show how statistics can be used in ways that are helpful or harmful application chapters based on over fifteen years of research and reflection questions to help you explore how to do statistics with integrity This book is ideal for professors seeking to help students explore the history and application of statistics from a Christian worldview as well as for Christians who are curious about how we understand truth through numbers It serves as an ideal supplementary text for statistics courses and other disciplines that incorporate statistical methods and it offers an insightful perspective on how statistics in conversation with Christian faith can speak to today s polarizing issues empowering readers to discern truth through data in a noisy world

The Genesis Factor Yacov A. Rambsel, 2000 Beginning with the very first verse of Genesis and continuing through its entire first chapter Yacov Rambsel has found a magnificent matrix of insights which are cryptologically structured words phrases and even statements that reach beyond time and space as we know it Without the aid of modern computers he has utilized the code technique known as equidistant letter sequence ELS to discover an immense mine of deeply embedded jewels of biblical revelation in this foundational chapter of Genesis

God Code Timothy P. Smith, 2017-04-04 The book that inspired the major History Channel special *God Code* shows there is more to the Bible than meets the eye messages from God hidden for ages now revealed by modern computer technology In *God Code* antiquities expert Timothy P Smith reveals his decades long quest to understand the complex messages he discovered in an

ancient Hebrew manuscript of the Bible This painstaking search involves adventure and mystery but instead of consulting ancient maps to find buried treasure Smith relied on the data calculation power of modern technology His quest shows how Scripture is more amazing than we ever dreamed and that it may even reveal the future of generations living today God Code reveals An encrypted code in Genesis in the oldest known Hebrew text of the Old Testament that predicted the birth and resurrection of Jesus Scientific evidence that this encrypted code was authored by the divine hand of God Signs that there are more encrypted codes in this same Hebrew text that will lead to additional messages from God to humanity Hidden clues that may lead to the location of long missing sacred artifacts such as the Ark of the Covenant Insights on why Smith was chosen to uncover this encrypted code A dire warning that God wants us to hear and heed In the companion History Channel series the author travels across continents in search of artifacts missing since Bible times clues to their location revealed in God Code Previously published as *The Chamberlain Key* *The True Bible Code* Lord's Witnesses (Organization),2000
