Journey Through God's Word Eric Shaban, 2021-02-15 Do you really know what the Bible is about Are you making a decision that could affect you for eternity without even understanding what awaits you Do you know the true meaning of life and eventually death Deep down do you feel the love mercy and grace of Almighty God If you haven't read and studied God's Word you're missing out on the greatest book ever written In its pages you will meet some of the greatest heroes of all time such as Paul John James and the most important person of all the Son of God Himself Jesus Christ The wisdom recorded in God's Word will carry you through every encounter in life and give you strength to get through any day Even though it was written thousands of years ago it has applications for your life that are extremely relevant right now You won't just learn how to come to a saving faith in the Lord Jesus Christ but also how to live a fulfilled life that could only come from the Creator of the universe This book will come alive before your very eyes In more than thirty years of study I've found practical answers to every encounter life has thrown my way If you don't know Jesus as your Lord and Savior my hope is that this book will lead you in His direction If you do believe my prayer is that you'll come to

see that Christianity is about more than attending church on Sunday and that you'll find the joy that is made complete in the Word of God

Big Idea Sermons Paul Cannings, 2018-03-01 The pastor's life never goes as one would imagine it. The highs are much greater and heartfelt than you anticipate; the anxiety and stress are deeper and last longer than you expect. Add to this mix the possibility of working a full-time job in addition to pastoring and you can see why a pastor's time is in such great demand. What if you could hold in your hand a resource that would jump-start your sermon-writing process, allowing you to save time and still deliver a trustworthy sermon? Dr. Paul Cannings, once a young pastor himself, remembers the days of struggling to balance it all. Now he has written a helpful guidebook that provides everything a pastor or lay teacher needs to write an effective, moving, and biblically sound sermon for each of the fifty-two weeks in the year. In *Big Idea Sermons*, Dr. Cannings clearly lays out the key components of a good sermon by including sermon outlines, series background information, illustrations, holiday messages for Thanksgiving, Christmas, Mother's and Father's Day, and more. He also includes references to the Hebrew and Greek texts for further validation. By working with the original languages, Dr. Cannings proclaims the gospel in a clear, engaging, and trustworthy manner. Pastors, preachers, lay teachers, and anyone in position to preach a sermon or teach a lesson: *Big Idea Sermons* is here to help. All that you need to write a good sermon is included. Be sure to read, meditate, and pray so you may use this resource wisely and effectively.

[The Divine Conception](#) Craig B. Polenz, 2012-06 Unity with God is a vital part of salvation, an intrinsic component of the spiritual walk. But sometimes it can be difficult to know if you are really connecting with the Lord. You may even feel like you are stuck in a void where God cannot reach. But this actualization is not impossible. By correctly opening your heart and mind to the Lord, you can reach a state of true communion with God and begin living your spiritual life in a totally new way. In his book *The Divine Conception*, Craig B. Polenz covers the main points needed to achieve spiritual oneness with the Lord. Through explication, Polenz unravels the personal stories of Abraham, Jacob, Hagar, and Leah as never before. He shows how we can emulate the people who were most changed by the Lord. Join these men and women and follow their example to live a full, complete, and gratifying life in the Lord.

Discipled Leader Preston Poore, 2021-07-20 A must-read for every leader. Dan T. Cathy, Chairman and CEO at Chick-fil-A Inc., Preston Poore has spent decades in corporate America. Despite all the excellent advice he was given for growing in leadership, there was something missing: a way to bring his Christian beliefs to bear in his professional life, not just his personal life. So Preston sought his own answer to how his faith could impact his management of hundreds of employees. What he discovered was this: the first step wasn't adjusting his leadership style. Instead, he needed to let God change him before he could effect real change in his workplace. And in order to model discipleship to his team, he needed to first be discipled by the Spirit. Here, in the day-to-day practice of being a disciple of Jesus Christ, Poore found where his faith and exceptional leadership intersect. Through personal stories, biblical principles, and hands-on workplace guidance, Poore offers readers a unique look at this seldom-discussed

connection He challenges struggling leaders to engage in the hard work of daily discipleship And he charges experienced leaders to return to the fundamentals of their faith encouraging them to disciple other Christians with leadership potential For anyone wrestling with how to bring faith to the workplace whether it be a cubicle or a boardroom Discipled Leader reveals that leadership doesn t begin behind the desk it begins in the soul *The Congregationalist* ,1912 The Student's New Testament Compilation ,1928 **Religious Telescope** ,1904 Herald of Gospel Liberty Elias Smith,1903 Association Men ,1909 **Peloubet's Select Notes on the International Bible Lessons for Christian Living** ,1916
