The Review of Reviews William Thomas Stead,1908 *Connections to World War I* Eugene G. Schulz,2023-01-30 In October 2012 I published my memoir with photos about my life in the US Army during World War II The name of that book is *The Ghost in General Patton s Third Army* Several readers of the book were astonished to find a photo of their family member or to read about an event that I experienced These readers suddenly had a connection to me and they personally visited me to get more information about their grandfather or other relative They told me more fascinating stories about that person so I felt compelled to write this sequel with new stories The summit of my life story is told in the final chapter in which the French government celebrated the 75th Anniversary of the liberation of Chartres At a special ceremony in September 2019 I was awarded the Medal of Chevalier in the Legion of Honor France s highest award for merit
