A. Torrey,2017-10-16 A work of special value for beginners in the Christian life There is nothing more important in the Christian life than beginning right If we begin right we can go on right If we begin wrong the whole life that follows is likely to be wrong If any one who reads these pages has begun wrong it is a very simple matter to begin over again and begin right What the right beginning in the Christian life is we are told in John 1 12 But as many as received Him to them gave He power to become the sons of God even to them that believe on His name The right way to begin the Christian life is by receiving Jesus Christ To any one who receives Him He at once gives power to become a child of God If the reader of this book should be the wickedest man on earth and should at this moment receive Jesus Christ that very instant he would become a child of God God says so in the most unqualified way in the verse quoted above No one can become a child of God in any other way

No man no matter how carefully he has been reared no matter how well he has been sheltered from the vices and evils of this world is a child of God until he receives Jesus Christ We are sons of God through faith in Christ Jesus Gal 3 26 R V and in no other way The best book we know to put into the hands of the young convert and even in the hands of more mature Christians It tells the young convert just what he needs to know It will also be helpful to many who have long been Christians but have not made that headway into the Christian life that they desire Many who have marked with gladness the large accession to the ranks of active Christians brought about by such revival agencies as those of Messrs Torrey and Alexander have felt the importance of securing further instruction in the Christian life for those who have been brought to decision Dr Torrey himself is aware of this need and seeks to meet it in a little work entitled *How to Succeed in the Christian Life* The suggestions are mainly in the direction of maintaining religion in the soul The Westminster Intended by this well known evangelist for young converts as a sort of guide in their new career He hopes it may also be helpful to those who though long on the road have not made the progress they had hoped The Churchman This book is especially written for those who are Mr Torrey s converts It is expected to be helpful to many other Christians also The book bears of course evidences of the rugged individuality of Mr Torrey but his suggestions s to Bible studies are very practical and helpful The book lays great emphasis on the privilege and duty of bringing friends and acquaintances to Christ The Christian Work and the Evangelist CONTENTS I Beginning Right II The Open Confession of Christ III Assurance of Salvation IV Receiving the Holy Spirit V Looking Unto Jesus VI Church Membership VII Bible Study VIII Difficulties in the Bible IX Prayer X Working for Christ XI Foreign Missions XII Companions XIII Amusements XIV Persecution XV Guidance Beginning a New Life Navigators (Religious organization),1981-07 Learn how having Jesus in your life can change everything *How to Begin Your Christian Life* William MacDonald,2002 How To Begin Your Christian Life is a book on how one becomes a Christian and it helps a reader understand the basics of making the most important decision of one s life Included are teachings on the miracle of new birth the need for a new life the problem of separation from worldliness what redemption is all about the way of salvation feelings faith repentance where a Christian stands in relation to God The difficult questions of the faith are answered simply by outlining the steps to the life of faith all from the scriptures themselves *The Independent* ,1899 *The Methodist new connexion magazine and evangelical repository* ,1874 **A Doctrine on the Beginning of Christian Life** Dr. John Thomas Wylie,2019-12-16 In this publication A Doctrine On The Beginning Of The Christian Faith It points to the fact that God is working out through Jesus Christ and his Church a redemptive program on the earth Redemption is to be the goal and peak of creation There is nothing more profound in the mind and purpose behind God than his plan to redeem God works out his redemption regardless of the restricting powers on the earth The Bible says With wicked hands men crucified him in doing so they carried out what was in the determinate counsel and foreknowledge of God Acts 2 23 Jesus was crucified on our behalf This is his redemptive work as it works itself out in human experience What is becoming a Christian What sort of a
