

FLU-STRIKEN Bonnie Tyler last week overhauled **Michael Jackson** to capture the number one spot for the first time in her career with 'Total Eclipse Of The Heart'. That's a three place improvement on the peak attained by Bonnie's previous biggest hit, 1977's 'It's A Heartache'.

They'll certainly keep a welcome in the hitboxes for Bonnie who's only the third Welsh lady to land a number one following **Shirley Bassey** (1959 and 1961) and **Mary Hopkin** (1968). Tyler's raunchy rock 'n' roll stance is some distance from the folksy style of Hopkin or Bassey's over-dramatic ballads. Indeed, despite her protestations to the contrary, Ms. Tyler is cultivating an overtly rock persona, and, to that end, she has taken to telling the press that 'Lost In France' was her first single, conveniently overlooking a trashy piece of candy floss called 'My My Honeycomb' which actually marked her recording debut in 1976. 'Lost In France' was the follow-up to that record and was a substantial hit justifying RCA's extravagant gesture in flying a plenitude of journalists to Paris to meet Bonnie.

'Total Eclipse' is also the first number one for composer **Jim Steinman** whose previous personal best was the No. 15 peak of 'Bar Out Of Hell' which he wrote for **Meat Loaf** in 1979.

THE NAME GAME. Researchers for the syndicated US radio programme 'American Top Forty' recently surveyed top forty hitmakers to find out the most common surname amongst soloists who've made the US chart in the last twenty five years. Despite strong opposition from the massed ranks of Jacksons, Joneses, Kings, Marrins, Williams and Wilsons the surname shared by more hitmakers than any other turned out to be Brown. Inspired by this March madness, Chartfile has conducted a similar survey of the British singles chart. The surname which emerged head and shoulders above the rest has featured in the chart courtesy of Andy, Billy, Danny, Denise, Diana, Don, Ivo, two different Johns, Kenny, Larry, Lenny and Mason. That's a grand total of thirteen soloists who've earned the name of Williams into the chart. Runners-up were the Joneses (10) followed by Miller, Harris and Jackson with eight each. US champions, the Browns, totalled only six, though there were also three Brownies.

A bizarre variation of the name game occurred in 1960 when an Englishman and a Yankee whose names differed by just one letter vied for US chart honours with similar versions of the same song.

BONNIE TYLER: a great debut scandal

The Englishman was **Garry Miles** whose original version of 'Look For A Star' had been recorded originally for the excellent British horror movie 'Circus Of Horrors'. It became very popular here and was soon climbing the charts. Then, in a complete reversal of the normal pattern —

British acts regularly put out quick-fire covers of American material — two American artists recorded 'Look For A Star' for the American market. One was an instrumental version by veteran saxophonist **Billy Vaughn** and the other was by **Burr Cason**, a member of the Statues. Cason's recording of 'Look For A Star' was released under the name **Garry Miles**. Faced with two similar versions of the same song by singers named Garry Miles and Garry Miles caused not a little confusion to American record buyers. Eventually Miles (Cason) pulled clear, peaking at No. 16, a full ten places clear of his British rival, and three places higher than Billy Vaughn. A few years later Cason co-wrote **Love Affair's** number one, 'Everlasting Love'.

In 1978, it was the British public's turn to be confused as the Jacksons brought out a version of Englishman **Mick Jackson's** 'Blame It On The Boogie'. Both records became top

twenty hits and, though **Mick Jackson** slugged the group for their shabby opportunism, it's probably true to say that he did very well out of the fracas. Certainly many people bought his record expecting it to be sung by the better-known **Michael Jackson**.

There have been many cases of individuals with the same name appearing in chart-making acts simultaneously including three very recent examples. **Kid Creole** is the name of the man who's steered the **Coconuts** to several hits, but it's also the name of a member of **Grandmaster Flash's Furious Five**. **Mick Jones** is the name shared by Foreigner's lead guitarist and the Clash's lead guitarist, **Roger Taylor** is a name which causes confusion at EMU, being the name shared by drummers with two of the company's top groups, **Queen** and **Duran Duran**. Nor is that the only confusion surrounding **Duran Duran**, besides **Roger Taylor**, the group also includes **John** and **Andy Taylor**...

The Irish influx mentioned in last week's Chartfile continues to gather pace. The arrival of the **Undertones** in the singles chart brings the Irish contingent to seven. In the album chart last week's two highest new entries were also by Irish groups. **Thin Lizzy's** 'Thunder And Lightning' entered at No. 4, and **U2's** 'War' made a spectacular debut, capturing the number one spot from **Michael Jackson**. The first Irish act to reach number one on the album listings was **Gilbert O'Sullivan** who did so in 1973 with 'Back To Front'.

Michael Omartian, best-known for his work with **Christopher Cross**, has been contracted to produce **Donna Summer's** next album much to the displeasure of **Donna's** current producer **Quincy Jones**. Omartian, who makes albums of his own for a small religious label, plans to team Summer and Cross in a duet if Cross's schedule allows. More definite is the duet between **Meat Loaf** and **Dale Gribble**, the lady who used to sing with the **Rossington Collins Band**. This has already been recorded and will be included on Meat's sooncoming album. More intriguingly, **George Harrison** and **Cilla Black** are poised to work together for the first time in many years following a chance meeting at a London restaurant. Over paste, Cilla enquired what happened to the tapes she and George had worked on in 1974 when Harrison was hoping to produce an album for Cilla. Harrison replied that he still has the tapes and that he'd still like to produce Cilla. Before going their separate ways the Liverpoolians agreed to get together again very soon. As a result George is said to be beavering away in Oxfordshire putting together some suitable material for Cilla.

Collectors of vinyl oddities should be on the lookout for a blue bell-shaped disc by — surprise! — the **Bluebells** and a **Ca Va Ca Va** picture disc in the shape of a painting pallet.

Chart File 1983 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Chart File 1983 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Chart File 1983 has opened up a world of possibilities. Downloading Chart File 1983 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Chart File 1983 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Chart File 1983. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Chart File 1983. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Chart File 1983, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Chart File 1983 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Chart File 1983 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Chart File 1983 is one of the best book in our library for free trial. We provide copy of Chart File 1983 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Chart File 1983. Where to download Chart File 1983 online for free? Are you looking for Chart File 1983 PDF? This is definitely going to save you time and cash in something you should think about.
