The Truth About Making Smart Decisions Robert E. Gunther,2008-04-04 This is the eBook version of the printed book If the print book includes a CD ROM this content is not included within the eBook version We tend to be somewhat risk averse as a species We are systematic and logical which sometimes makes us overcautious Sure look a decision squarely in the face Consider it from every angle but also focus on the intangibles that might be harder to

place into a systematic equation of risks and returns After you've done a careful analysis step back Maybe the crazy decision is the right one Don't underestimate the power of deciding boldly These essential truths help you to learn the brave way to make complex and critical decisions *Card Essays, Clay's Decisions, and Card-table Talk* Cavendish, 1880 *Decisions, Decisions* David A. Welch, 2009-12-02 You're tempted to accept a promising job offer in another city but moving would entail considerable sacrifice on the part of your family What should you do Your elderly mother can no longer take care of herself but she doesn't get along with your husband and dreads the prospect of moving into a nursing home What is the solution Whether you are faced with decisions momentous or trivial how you go about resolving everyday dilemmas will definitely affect your level of satisfaction in life In this engrossing and entertaining guide David Welch who has studied the decision making process at the highest levels shows how both the science and the art of decision making are essential to us all Welch lays out nine steps to effective decision making and then demonstrates how to apply these steps to real world situations He gives readers the intellectual tools to assess their strengths and weaknesses and stresses that self knowledge is critical for making the right decisions This enjoyable clearly written guide will enable decision makers at every level to find the best possible solution for dilemmas both big and small
