

Deconstructing

DURKHEIM

A post-post-Structuralist Critique

Jennifer M. Lehmann

# Deconstructing Durkheim

**Jennifer M. Lehmann**

## Deconstructing Durkheim:

**Deconstructing Durkheim** Jennifer M. Lehmann, 2013-10-08 The author analyzes Durkheim's social theory from the standpoint of critical structuralism. She explores Durkheim's discussion of the relationship between the individual and society. She also addresses the question of Durkheim's understanding of the relationship between the subject and object of knowledge and the relationship between truth and ideology. *Teaching Durkheim* Terry F. Godlove, 2005 Emile Durkheim's work on religion occupies a central place in religious studies classrooms today. This volume is designed as a resource for teachers offering practical advice about productive ways to approach central texts and difficult pedagogical issues.

*Durkheim's Suicide* W.S.F. Pickering, Geoffrey Walford, 2002-09-26 Written by world renowned Durkheim scholars, this book examines the continuing importance of Durkheim's classic text on suicide and revisits some of the key issues explored.

**Durkheim's Ghosts** Charles Lemert, 2006-02-09 Durkheim's Ghosts is a fascinating presentation of the tradition of social theory influenced by Emile Durkheim's thinking on the social foundations of knowledge. From Saussure and Levi Strauss to Foucault, Bourdieu, and Derrida, today's criticisms of modern politics and culture owe an important, if unacknowledged, debt to Durkheim. These engaging and innovative essays by leading sociologist Charles Lemert bring together his writings on the contributions of French social theory past and present. Rather than merely interpret the theories, Lemert uses them to explore the futures of sociology, social theory, and culture studies. Durkheim's Ghosts offers the reader original insights into Durkheim's legacy and the wider French traditions for the cultural and social sciences. Of special note is the book's new and exciting theory of culture and semiotics. Provocative, scholarly, imaginative, and ambitious, this book will be invaluable to anyone interested in social theory, culture, and intellectual history of modern times. [Durkheim is Dead!](#) Arthur Asa

Berger, 2003-04-28 In this sociology textbook/mystery novel, students can join Sherlock Holmes and Watson as they discover a new area ripe for acrimony and intrigue: social theory. In 1910, the most prominent social theorists in the world gather in London for a conference on the new science of sociology. Things rapidly fall apart though as a fight breaks out, a jewel is stolen, and famous sociologist Emile Durkheim disappears. As Sherlock Holmes and Watson investigate, it appears that social theory may not only explain actions in this case, it may be the cause of them. So Holmes and Watson investigate social theory itself, learning directly from those creating it: W.E.B. Du Bois, Sigmund Freud, Vladimir Lenin, Beatrice Webb, Georg Simmel, Emile Durkheim, and Max Weber. The theories, lives, and passions of each sociologist are revealed as Holmes and Watson learn first-hand just how influential social theory can be. [In Pursuit of the Sacred](#) Alexander Riley, 2000 **Durkheim and**

**Postmodern Culture** Stjepan Gabriel MeÅitroviÅ, The present work is an elaboration of the author's previous efforts in *Emile Durkheim and the Reformation of Sociology* (1988) and *The Coming Fin de Si cle* (1991) to demonstrate Durkheim's neglected relevance to the postmodern discourse. The aims include finding affinities between our fin de si cle and Durkheim's fin de si cle and connecting the contemporary themes of rebellion against Enlightenment narratives found in postmodern

culture with similar concerns found in Durkheim's sociology as well as in his fin de siècle culture contributing to Durkheimian scholarship as well as to the postmodern discourse. The distinctive aspects of the present study flow from the focus on culture, communication, and the feminine voice in culture. Durkheim is approached as a fin de siècle student of culture and his insights applied to our fin de siècle culture. Furthermore, because Durkheim claimed that culture is comprised primarily of collective representations, he was a forerunner of the current postmodern concerns with communication. Because Durkheim shall be read in the context of his fin de siècle, this book shall lead to the conclusion that Durkheim was a kind of psychoanalyst such that society is the patient, culture comprises the symptoms, and the sociologist must decipher, decode, and even deconstruct collective representations. Yet the Durkheimian deconstruction proposed here is unlike the postmodern deconstructions which criticize and tear apart a text without substituting a better meaning or interpretation. Postmodern discourse has made respectable again the synthesis of multidisciplinary insights that was fashionable in Durkheim's fin de siècle. In following this postmodern strategy, this book is more than a book about Durkheim. It is also a book about his contemporaries among them Carl Gustav Jung, Thorstein Veblen, Henry Adams, Georg Simmel, and Max Weber. The author does not follow the postmodern strategy completely because he finds common strands that bind these and other thinkers and their theories. Stjepan G. Meštrović was born in Zagreb, Croatia, and is professor of sociology at Texas A M University. Widely published in scholarly journals, he is the author of *Emile Durkheim and the Reformation of Sociology* (1988), *The Coming Fin de Siècle and Genocide After Emotion: The Postemotional Balkan War* (*Contested Knowledge*, Steven Seidman, 2008-03-11). This fourth edition includes an exploration of globalization and a new section on the theories of global and world order. The author combines social analysis and moral advocacy to demonstrate how social theory can and does and sometimes doesn't work within the public and political sphere. publisher description: *Illuminating Social Life* Peter Kivisto, 2001-02-21. With contributions by leading scholars, this book shows how classical and contemporary social theories can be used to shed new light on such topics as the Internet, the world of work, fast food restaurants, prostitution, shopping malls, alcohol use, body building, sales, and service, and new religious movements. **The Blackwell Encyclopedia of Sociology: C** George Ritzer, 2007. The Sociological Ambition Chris Shilling, Philip A. Mellor, 2001-10-19. *The Sociological Ambition* is a superb book. It is beautifully written, expertly edited, and renders complex and original ideas entirely accessible. This is a modern classic. *Journal of Contemporary Religion*. For all social scientists who are fed up with corporate style textbooks which appeal to the lowest common denominator, *The Sociological Ambition* must come as a relief. Shilling and Mellor have written an account of their discipline, but they have done so with a multi-purpose task in mind. *Irish Journal of Sociology*. In a comprehensive reassessment of the field, Chris Shilling and Philip A. Mellor examine the various attempts that have been made to reconstruct sociology over the last century, arguing that classical and contemporary social theories must be studied in relation to the ambition that first shaped and established the discipline. The authors begin by situating sociology in its historical

philosophical and theological contexts examining how the founders of the discipline developed competing analyses of the processes elementary to social and moral life through their unique contributions The result is a landmark work in recent sociological study Accomplished and erudite this book will be required reading for students of sociology social theory religious studies and cultural studies Reconfiguring Truth Steven C. Ward,1996-10-04 This refreshingly original book links the postmodern critique of notions such as reality and truth with approaches to knowledge found in science and technology studies STS a field also discontent with traditional epistemology Exploring STS approaches to knowledge such as actor network theory Ward forges a path through the impasse of the modernism vs postmodernism debate Reconfiguring Knowledge is an important work for social scientists and theorists philosophers historians and scholars of science and technology Readings from Emile Durkheim Prof Kenneth Thompson,2004-08-02 Emile Durkheim is regarded as a founding father of sociology and is studied in all basic sociology courses This handy textbook is a key collection of translations from Durkheim s major works *Classical Sociological Theory* George Ritzer,1996 **Durkheim Through the Lens of Aristotle** Douglas F. Challenger,1994 Key Ideas in Sociology Peter Kivisto,2004 Key Ideas in Sociology is the only compact and portable book for undergraduate readers that links issues regarding post modern society to the ideas and individuals that gave rise to sociological thinking in the late 19th century This is the ideal text for idea and history oriented introductory sociology courses **Sociological Theory** George Ritzer,2000 This text provides an overview of the major classical theorists contemporary schools of sociological thought and spans the history of sociological theory from its inception to the present This edition has been updated and revised to include a number of sections on new developments in the field such as theories of consumption and the new means of consumption multiculturalism and criticisms and applications of postmodernism and post post modernism **Epoché: University of California Journal for the Study of Religions**,1998 **The Gay & Lesbian Marriage & Family Reader** Jennifer M. Lehmann,2001 Penetrating articles for people who want to accurately understand the major issues gays and lesbians face that involve marriage and family life in 21st century America Durkheim and Postmodern Culture Stjepan Mestrovic,1992 The present work is an elaboration of the author s previous efforts in Emile Durkheim and the Reformation of Sociology 1988 and The Coming Fin de Si cle 1991 to demonstrate Durkheim s neglected relevance to the postmodern discourse The aims include finding affinities between our fin de si cle and Durkheim s fin de si cle and connecting the contemporary themes of rebellion against Enlightenment narratives found in postmodern culture with similar concerns found in Durkheim s sociology as well as in his fin de si cle culture contributing to Durkheimian scholarship as well as to the postmodern discourse The distinctive aspects of the present study flow from the focus on culture communication and the feminine voice in culture Durkheim is approached as a fin de si cle student of culture and his insights applied to our fin de si cle culture Furthermore because Durkheim claimed that culture is comprised primarily of collective representations he was a forerunner of the current postmodern concerns with

communication Because Durkheim shall be read in the context of his fin de si cle this book shall lead to the conclusion that Durkheim was a kind of psychoanalyst such that society is the patient culture comprises the symptoms and the sociologist must decipher decode and even deconstruct collective representations Yet the Durkheimian deconstruction proposed here is unlike the postmodern deconstructions which criticize and tear apart a text without substituting a better meaning or interpretation Postmodern discourse has made respectable again the synthesis of multidisciplinary insights that was fashionable in Durkheim s fin de si cle In following this postmodern strategy this book is more than a book about Durkheim It is also a book about his contemporaries among them Carl Justav Jung Thorstein Veblen Henry Adams Georg Simmel and Max Weber The author does not follow the postmodern strategy completely because he finds common strands that bind these and other thinkers and their theories Stjepan G Me trovic was born in Zagreb Croatia and is professor of sociology at Texas A M University Widely published in scholarly journals he is the author of Emile Durkheim and the Reformation of Sociology 1988 The Coming Fin de Si cle and Genocide After Emotion The Postemotional Balkan War
