Behind the Wheel R. H. Rademacher, 2017-08-18 After drivers training the education just begins Learning how to drive can be a very stressful part of any parent's life But when the drivers training classes are completed When the student driver has passed all of the criteria required to receive their driver's license Are they really prepared for what lies ahead Even many seasoned drivers can be blindsided when purchasing a vehicle or getting it repaired let alone driving it Is your new driver fully aware of the implications of driving without insurance or while under the influence of drugs or alcohol Texting while driving has become a national epidemic claiming far too many lives of our youth What about the financial obligations of driving Has the student driver been instructed in this area as well In a recent survey taken by the author the top three concerns that parents have with the auto industry and their teen drivers are the safety of their young drivers the lack of trust when purchasing a vehicle and the lack of trust when getting it serviced

Getting Behind the Wheel What Every Driver Should Know is a must for anyone who has or is thinking about acquiring and driving a car It is especially valuable for teenagers who've just gotten their driver's license or college students moving a long distance from home and would go a long way toward allaying parents' concerns in connection with these While there are many automobile guides available on the market none combine such material with the sort of practical information **Getting Behind the Wheel** provides for example how to identify the best make and model for your needs how to get the best value from your warranty how to assess the reliability of a technician and most importantly **Getting Behind the Wheel** stresses the importance of safe driving habits Given our dependence on our vehicles and the investment we put into them an accessible and easy to read guide on everything involved in choosing driving maintaining and repairing a vehicle would give every driver greater peace of mind when faced with problems and greater confidence in getting them addressed **Getting Behind the Wheel What Every Driver Should Know** provides exactly this **Getting Behind the Wheel** covers everything from driving responsibly to selecting and buying the vehicle of your dreams to finding that reputable repair shop that you can trust In an engaging and jargon free style it leads the reader through the major aspects of vehicle function and maintenance giving them a general idea of how things work and what to look out for when things go wrong Rademacher's more than thirty years of experience working in the vehicle service industry also means that he is able to give drivers many handy pointers on a range of related topics including what factors to consider when choosing a vehicle how to find the right repair shop and technician where to go to find important information and more These subjects and more are covered in **Getting Behind the Wheel What Every Driver Should Know** Published by Pigeon River Publishing LLC Bob Rademacher puts in plain language what it takes to remain safe while driving the roadways and how to avoid the sharks that sometimes roam the auto industry Traveling our roadways doesn't have to be or shouldn't be a costly or tragic experience

Behind The Wheel: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Behind The Wheel : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
