**City Songs and Country Carols** Thomas F. Porter, 1906    *The Homiletic Review*, 1890    *The Works of Anatole France in an English Translation* Anatole France, 1925    *Waverley Novels: The betrothed* Walter Scott, 1894    **The Authorized English Translations of the Novels and Short Stories of Anatole France: The merrie tales of Jacques Tournebroche** Anatole France, 1909    **Celtic Britain and the Pilgrim Movement** Griffith Hartwell Jones, 1912 Excerpt from *Celtic Britain and the Pilgrim Movement* The growth Of religious thought Ethnic Hebrew or Christian besides being Of supreme moment is Of an interest so perennial that no apology should be needed for presenting any evidence not hitherto easily accessible It has been my custom for some years whilst occupied with the study Of ecclesiastical history to jot down or at least to make a mental note of anything that seemed specially to bear upon Wales Cornwall Ireland or Scotland and as I pursued my investigations begun solely for the satisfaction Of my own curiosity the cultural Significance Of the pilgrim movement was strongly borne in upon my mind Whether we consider its many sided character its human elements its doctrinal import its intellectual fertility or the tenacity Of this irrepressible instinct throughout the ages it appears to challenge comparison with any other field Of enquiry and after a considerable amount Of material had accumulated it was more than once pointed out to me that the publication Of what I had garnered might serve a useful purpose a suggestion in which the Honourable Society of Cymmrodorion readily acquiesced The pleasure which the preparation of the work has afforded me during years of enforced exile will be enhanced tenfold if it proves that my expatriation has not prevented me from rendering Wales some service by throwing light upon an obscure and neglected phase Of her religious and mental evolution Whilst the work was being shaped the question Of method cost me much thought Assuming that many readers would be unfamiliar with both the Celtic and the ecclesiological aspects of the subject I was obliged to steer between the Scylla of redundancy and \_the Charybdis of compression and baldness Just as I was speculating how to escape from this dilemma I had an opportunity of discussing the main lines Of procedure with an historian and literary critic on whose long experience I could confidently rely and he confirmed my views When the work had been revised he was kind enough to read through portions of the manuscript which might still be in doubt and as the following letter shows saw no reason to change

his Opinion Upon every occasion your method of proceeding has been fully justified on two grounds The contents of the book are in many cases such as to require a careful preliminary preparation for what is to follow and the work contains hardly anything that could be spared without detriment to the whole You are obliged to give information for want of which the work would be positively unintelligible to most people Though I am not unacquainted with ecclesiastical history Often found the sort of focussing of general principles before adducing the new evidence in which the work abounds of great assistance in forming a comprehension of the fresh material On the other hand it is certain that among those whose keenest attention will be directed to its Celtic features there will be many as ignorant of ecclesiology as others are of Celtic history The Celtic scholar's need of some guidance when ecclesiastical history is put before him is in fact not only excusable but a phenomenon that will appear natural to anyone who has ever seriously studied anything About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)
