*Love's Touch* Anit Arca, 2022-04-10 Is the world an illusion Is our Universe a hologram This is a magical world All there is is you you are the magnificent reflection of All That Is in the world of Existence and three dimensions Let us wake up from this illusion We have to realize we will leave this body one day we have to realize all of our possessions will be left behind as we depart for our next new adventure This is not a book of divine informative revelation These words do not come from heaven These writings knowledge arose in the Heart through Universal Intuition and were written from Oneself to oneself without the interference of the author's personal thoughts ego What you call I is your identity Bonding yourself with your identity creates the I am ego personality This identity of yours is not actually you it is an illusory state of what you are not In Reality you are not your ego identity The external world and its social parameters play a big role in forming this ego identity You do not own anything no name no form or any image that you can call I You have not constructed or created these You do not own anything you think you can control or possess When you identify yourself with these things the things that you are not or do not own you are creating a self imposed prison for yourself and living inside of it In other words you create your ego personality In this case we have to ask the following question who am I Really Are you really all that you claim to own names forms and images Are you only made up of body and mind When you identify with these beliefs and those of the collective world consciousness you get lost and break away from your true Reality When you claim ownership of these names forms and images you create your ego personality Whenever you say I am this or that you are identifying with that thing which you now claim as your own and you unify yourself with that thing If you do not identify with anything if you do not claim ownership of anything the I ceases to exist Removing the I dissolving it is the ultimate freedom we seek The walls of the self imposed prison of ego personality you possessively created will fall away Here in this liberated state of being the necessity for choice or decision falls away too You

act just as is needed in each moment of life as it arises in the Now Thoughts of should I have done this or that will disappear The mind is like software running on a computer The virus that corrupts the software is the ego It is this ego personality that creates erroneous beliefs and then claims ownership of them Only when this virus is removed by an antivirus program Mind reveals itself in its full capacity With this cleaning up process human minds become increasingly liberated and expansively intelligent In this Book knowledge of advanced life is being released into the public publishing domain for the first time This life can be described with concepts of Absolute Human Birth of Absolute Humanity Experiencing Non Existence and Beyond Non Existence We believe through our life experience that the only way to change our individual and collective point of view is to know NON EXISTENCE The will behind the writing and publishing of this knowledge in the Book arose in servitude

Love, 397 MICH 686 (1976)** ,1976 58313 58314 *Philosophy of Love Triage* Orsi Manish,2023-03-14 Love is a complex and multifaceted emotion that is characterized by strong feelings of affection care and connection toward someone or something It can involve a range of emotions such as happiness contentment and excitement but also vulnerability anxiety and fear Love can also involve a strong sense of commitment and loyalty and the desire to nurture and protect the person or thing that is loved Triage on the other hand is a process of prioritizing and allocating resources based on need and urgency The feelings of love and triage may seem unrelated but they can intersect in certain situations A person may feel a strong sense of love and affection towards a family member or loved one and may prioritize their needs and desires above their own in order to ensure their well being The Psychology of Love Robert J. Barnes,1988-01-01 Psychologische studie over het verschijnsel liefde The American Decisions ,1911 Love is a Decision Gary Smalley,1993 **Lutheran Teacher-training Series for the Sunday School** Luther Allan Weigle,1909 Love: Not a Bond, but Consciousness Priy Yuvraj,2026-01-16 If love was never meant to bind then why did we turn it into a bondage In today s world love has been tied to contracts expectations security and social approval Where love should have been an experience of freedom and consciousness it has instead taken the form of control fear and entitlement Love Not a Bond but Consciousness Prem Bandhan Nahi Bodh is not a book of emotional sermons It is a logical philosophical and introspective inquiry into love one that dares to look at love in its original and unconditioned form This book raises essential questions Is love dependent on promises Do security and entitlement protect love or destroy it Does society truly understand love or does it merely seek to control it Are jealousy fear and control really proofs of love The author makes it clear that love is not something to be demanded not a claim to be proven and not a social institution Here love is presented as a state of consciousness where there

is no fear no ownership and no conditions In this book love is Expanded beyond the individual to humanity as a whole Freed from social and psychological bindings Presented as selfless free and deeply peaceful This book is for readers who do not merely want to feel love but to understand it who wish not to lose freedom in relationships but to live it This book does not teach love it offers a way of seeing love
