The Times of My Life and My Life with the Times Max Frankel, 1999 From Sputnik to the Pentagon Papers from the building of the Berlin Wall to its collapse Pulitzer Prize winner Max Frankel recalls some of the momentous events of the later half of the 20th century which he witnessed as he worked his way to the helm of the world s greatest newspaper Photos Online feature

Off the Record Norman Pearlstine, 2007 In this powerful inside story Pearlstine calls on Congress to pass a federal shield law protecting journalists from the needless intrusions of government At the same time he calls on the press to name its sources whenever possible

American Canto Olivia Nuzzi, 2025-12-02 A mesmerizing firsthand account of the warping of American reality over the past decade as Donald Trump has risen to dominance from a participatory witness who got so far inside the distortion field that it swallowed her whole Olivia Nuzzi spent a third of her life observing those in power She became a reporter in 2014 when the political landscape began to recon figure itself around a singular personality whom she was uniquely primed to understand Over the next ten years she used her access and eye for detail to chronicle his campaigns trials and government in blockbuster feature stories that drove the national conversation

and propelled her to the heights of her profession Then in 2024 her personal life collided with the public interest in a scandal that cost Nuzzi her job and reputation Amid a full blown tabloid frenzy Nuzzi went quiet drove west and spent the next year in self imposed exile at the edge of the country where she wrote this searing and astonishingly clear eyed account of what she and we have experienced over the last decade Nuzzi walked through hell and she took notes The result is a brilliant and bracing reckoning with recent history from one of our sharpest political observers Beginning in the present in California and then turning her gaze back east and back in time she crafts a dazzling mosaic of the Trump era her many behind the scenes encounters with Trump himself from their first meeting in Trump Tower to a wealth of revelatory conversations about his Hollywood aspirations his dreams his fears about being assassinated and more the life she led uneasily that skidded to a halt the rise of digital surveillance and the decline of privacy the normalization of political violence and the collision of polarization with the democratization of information to sow doubt about every aspect of our reality American Canto is also a powerful personal history Nuzzi s account of growing up in working class New Jersey as the child of alcoholics in the shadow of New York City and 9 11 is raw and moving Her mother was angry beautiful and unpredictable Her father a loving man who supported his family as a sanitation worker removed debris from Ground Zero They both died young A version of Nuzzi did too She approached this kind of death with the critical distance of a reporter When interrogating her own mistakes Nuzzi confesses I had trained my whole life in the battlefield of crisis Despite her profession Olivia Nuzzi has never been interested in breaking news American Canto is not a memoir nor a tell all nor a book about the president Instead it is something more artful and more interesting a character study of a nation undergoing radical transformation in real time It seeks to reframe our understanding of the history we are living through from the perspective of someone who observed it from within the kaleidoscope and now sees it clearly from the other side

FAQs About Deep Background Books

What is a Deep Background PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Deep Background PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Deep Background PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Deep Background PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Deep Background PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
